### Load Pistol Mags Almost As Fast As You Can Shoot, Without The Sore Fingers

Simple, easy-to-use design lets you load pistol magazines quickly without dinging the feed lips and pinching your fingers, so you spend more precious range time shooting, less loading magazines. A real life saver for squeezing those last few rounds into mags with heavy springs. Slide the loader over the magazine and grasp both firmly as you repeatedly depress the ribbed, no-slip thumb lever to relieve the spring pressure and insert rounds. Depending on model, a slot or an adjustable stop in the loader's base prevents movement of the magazine while loading. Models available to fit most Double Stack (DS) and Single Stack (SS) magazines.

# SEMIAUTO PISTOL MAGAZINE SPEEDLOADER HKS MODEL 941 Safety Instruction Guide

## Introduction

Thank you for choosing the SEMIAUTO PISTOL MAGAZINE SPEEDLOADER HKS MODEL 941. This product is designed to help you load your pistol magazines quickly and efficiently while ensuring safety during the process. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the speedloader is used only for its intended purpose of loading pistol magazines.
- Always handle firearms and ammunition with care. Treat every firearm as if it is loaded.
- Keep the speedloader out of reach of children and unauthorized users.
- Inspect the speedloader for any damage before each use. Do not use if damaged.
- Store the speedloader in a safe place when not in use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Loading Procedure:** Always ensure the magazine is pointed away from yourself and others during the loading process.
- **Finger Safety:** Keep your fingers clear of the magazine's feed lips while loading to prevent pinching or injury.
- **Spring Pressure:** Be cautious of the spring pressure when loading. Use the thumb lever carefully to relieve pressure.
- **Compatibility Check:** Confirm that your magazine is compatible with the speedloader model you are using.
- **Usage by Minors:** This product should not be used by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the speedloader is clean and free from any obstructions.
- Check that the magazine is empty and safe to load.

### 2. Using the Speedloader:

- Slide the loader over the magazine.
- Grasp the loader and magazine firmly with both hands.
- Depress the ribbed, noslip thumb lever repeatedly to relieve spring pressure.
- Insert rounds into the magazine as the spring pressure is relieved.
- Depending on the model, ensure that the slot or adjustable stop prevents movement of the magazine while loading.

### 3. PostUse:

- After loading, remove the speedloader from the magazine carefully.
- Store the speedloader in a safe location away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of the speedloader in accordance with local regulations.
- Do not dispose of the speedloader in regular household waste if it is damaged or contains hazardous materials.
- Check with local waste management authorities for specific disposal guidelines.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

By following these safety instructions, you can ensure a safer experience while using the SEMIAUTO PISTOL MAGAZINE SPEEDLOADER HKS MODEL 941. Always prioritize safety and responsible handling of firearms and ammunition.
