Load Pistol Mags Almost As Fast As You Can Shoot, Without The Sore Fingers

Simple, easy-to-use design lets you load pistol magazines quickly without dinging the feed lips and pinching your fingers, so you spend more precious range time shooting, less loading magazines. A real life saver for squeezing those last few rounds into mags with heavy springs. Slide the loader over the magazine and grasp both firmly as you repeatedly depress the ribbed, no-slip thumb lever to relieve the spring pressure and insert rounds. Depending on model, a slot or an adjustable stop in the loader's base prevents movement of the magazine while loading. Models available to fit most Double Stack (DS) and Single Stack (SS) magazines.

Safety Instruction Guide for SEMIAUTO PISTOL MAGAZINE SPEEDLOADER HKS MODEL GL940

Introduction

Thank you for choosing the SEMIAUTO PISTOL MAGAZINE SPEEDLOADER HKS MODEL GL940. This product is designed to make loading pistol magazines easier and faster. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always use the speedloader in accordance with the manufacturer's instructions.
- Keep the speedloader out of reach of children and unauthorized users.
- Inspect the speedloader before each use for any signs of damage or wear.
- Do not use the speedloader if it is damaged or malfunctioning.
- Report any unsafe conditions or incidents involving the speedloader to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the speedloader.
- Avoid placing fingers near the magazine's feed lips during loading to prevent pinching.
- Do not force rounds into the magazine; if resistance is felt, stop and check for obstructions.
- Use the speedloader only with compatible magazine models as specified in the product specifications.
- Always maintain a firm grip on both the speedloader and the magazine during use.
- Do not attempt to modify or repair the speedloader yourself.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather your magazines and ammunition.

2. Using the Speedloader:

- Slide the loader over the magazine until it fits securely.
- Grasp both the loader and the magazine firmly.
- Press the ribbed, noslip thumb lever repeatedly to relieve spring pressure.
- Insert the rounds into the magazine as the spring pressure is relieved.
- Continue until the magazine is fully loaded.

3. PostUse:

- Remove the loader from the magazine.
- Store the speedloader in a safe and dry place away from children.

Disposal Instructions

- Dispose of the speedloader in accordance with local regulations.
- Do not dispose of the speedloader in household waste.
- If the speedloader is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For further assistance or inquiries regarding safety, usage, or potential issues with the SEMIAUTO PISTOL MAGAZINE SPEEDLOADER HKS MODEL GL940, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your speedloader. Thank you for your attention to safety!
