

# MAGAZINE FEED LIPTOOL - MAGAZINE FEED LIP TOOL

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Magazine Tools](#)

Easily convert .22-250 and .308 short action, long action, and magnum length detachable magazines from H-S Precision to reliably feed 43 of the most popular rifle cartridges. Milled slot with beveled edge slips over the feed lips, so you can confidently tweak the front and rear widths to caliber-specific dimensions listed on the tool. Aluminum construction prevents scratches to the magazine finish. Provides adjustment for most commercial cartridges from .22-250 to .458 Win Mag.

# MAGAZINE FEED LIP TOOL Safety Instruction Guide

## Introduction

Thank you for choosing the MAGAZINE FEED LIP TOOL. This tool is designed to help you convert .22250 and .308 short action, long action, and magnum length detachable magazines from HS Precision to reliably feed various rifle cartridges. To ensure your safety and the proper use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always read and follow the manufacturer's instructions before using the tool.
- Ensure that the tool is used in a safe environment, free from distractions.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool regularly for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use the tool only for its intended purpose: adjusting the feed lips of HS Precision detachable magazines.
- Wear appropriate personal protective equipment (PPE) such as safety glasses to protect your eyes during use.
- Do not force the tool; if it does not fit or function correctly, stop using it and consult the instructions.
- Ensure that the magazine is empty before making any adjustments.
- Avoid using excessive force when adjusting the feed lips to prevent damage to the magazine or tool.
- Store the tool in a dry place and avoid exposure to moisture or extreme temperatures.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary materials, including the MAGAZINE FEED LIP TOOL and the magazine you wish to adjust.
- Ensure you are working in a welllit area.

### 2. Adjusting the Feed Lips

- Place the tool over the feed lips of the magazine, ensuring the milled slot with the beveled edge is positioned correctly.
- Gently adjust the front and rear widths of the feed lips to match the caliber-specific dimensions indicated on the tool.
- Make small adjustments and check the fit frequently to avoid overadjusting.

### 3. Final Check

- After adjustments, recheck the magazine for proper feeding of cartridges.
- Conduct a function test with dummy rounds to ensure reliable feeding before using live ammunition.

### 4. Cleaning and Maintenance

- After use, clean the tool with a soft cloth to remove any debris or residue.
- Store the tool in its original packaging or a safe place to prevent accidental damage.

## **Disposal Instructions**

- Dispose of the MAGAZINE FEED LIP TOOL in accordance with local regulations regarding metal waste.
- Do not dispose of the tool in household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAGAZINE FEED LIP TOOL, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the MAGAZINE FEED LIP TOOL. Thank you for your attention to safety.
