

# 700 SHORT ACTION 308 DETACHABLE BOTTOM METALS - H-S PRECISION SHORT ACTION MAGAZINE 308

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Add all the convenience of drop-free, box magazine to your favorite Remington 700 BDL. Spring-loaded finger latch inside the triggerguard drops the box magazine free, speeds loading and unloading. Made from durable stainless steel and finished with bake-on, matte, black Teflon® coating that's self-lubricating and resists scratches and wear. Updated version have positive locking springs on the bottom of both sides of the floor plate (holds the magazine box securely in place without the rubber o-ring), a polymer boot on bottom of box (easier to remove), and a guide slot and larger rear catch on back of box (ensures proper latch).

# Safety Instruction Guide for 700 SHORT ACTION 308 DETACHABLE BOTTOM METALS

## Introduction

Thank you for choosing the 700 Short Action 308 Detachable Bottom Metals by HS Precision. This product is designed to enhance your Remington 700 BDL rifle with a dropfree, box magazine system. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure that the firearm is unloaded before installing or removing the magazine.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and accessories.
- Report any unsafe product incidents or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify the magazine or firearm without proper knowledge and skills.
- Always use the correct ammunition type as specified for your firearm.
- Avoid overloading the magazine beyond its specified capacity.
- Do not use the magazine if it is damaged or malfunctioning.
- Keep fingers away from the trigger until ready to shoot.
- Store the magazine in a secure location when not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing magazine from the firearm.
- Align the detachable bottom metal with the magazine well of the Remington 700 BDL.
- Insert the magazine into the magazine well until it clicks into place.
- Check that the magazine is securely locked in position.

### 2. Usage:

- To load ammunition, remove the magazine from the firearm.
- Insert the appropriate number of rounds into the magazine.
- Reinsert the magazine into the firearm.
- To unload, press the springloaded finger latch inside the trigger guard to release the magazine.
- Always check that the firearm is unloaded after use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and polymer waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling options for metal components.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the manufacturer's website or customer service resources.

Thank you for ensuring a safe and responsible use of the 700 Short Action 308 Detachable Bottom Metals. Enjoy your enhanced shooting experience!
