

REMINGTON 700 LONG ACTION DETACHABLE MAGAZINE BOTTOM METALS - H-S PRECISION LONG ACTION MAGNUM BOTTOM METAL WITH 3RD MAGAZINE

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Add all the convenience of drop-free, box magazine to your favorite Remington 700 BDL. Spring-loaded finger latch inside the triggerguard drops the box magazine free, speeds loading and unloading. Made from durable stainless steel and finished with bake-on, matte, black Teflon® coating that's self-lubricating and resists scratches and wear. Updated version have positive locking springs on the bottom of both sides of the floor plate (holds the magazine box securely in place without the rubber o-ring), a polymer boot on bottom of box (easier to remove), and a guide slot and larger rear catch on back of box (ensures proper latch). Can be used with multiple long action caliber.

REMINGTON 700 LONG ACTION DETACHABLE MAGAZINE BOTTOM METALS HS PRECISION LONG ACTION MAGNUM BOTTOM METAL WITH 3RD MAGAZINE Safety Instruction Guide

Introduction

Thank you for choosing the Remington 700 Long Action Detachable Magazine Bottom Metals HS Precision Long Action Magnum Bottom Metal with 3rd Magazine. This product is designed to enhance the functionality of your Remington 700 BDL rifle by providing a convenient dropfree, box magazine system. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that the firearm is unloaded before installing or adjusting the magazine.
- Only use this product with compatible long action calibers as specified.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the magazine and bottom metal for wear and damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure that the firearm is pointed in a safe direction during installation.
- Use appropriate tools and follow the installation instructions carefully.

• Loading and Unloading:

- Always check that the magazine is securely locked in place before loading.
- When unloading, ensure that the firearm is pointed in a safe direction.

• Handling Ammunition:

- Only use cartridges that are compatible with the magazine specifications.
- Avoid using RUM cartridges as they are not accepted by this magazine.

• Storage:

- Store the magazine in a cool, dry place away from direct sunlight.
- Keep the magazine away from moisture to prevent rust and corrosion.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing bottom metal if applicable.
- Align the HS Precision Bottom Metal with the stock and secure it using the provided screws.
- Ensure that the positive locking springs are properly engaged on both sides of the floor plate.

2. Loading the Magazine:

- Pull the springloaded finger latch inside the trigger guard to release the magazine.
- Insert the cartridges into the magazine, ensuring they are seated properly.
- Close the magazine and ensure it is securely locked in place.

3. Unloading the Magazine:

- Pull the finger latch to release the magazine.
- Remove the magazine from the firearm.
- Remove cartridges from the magazine in a safe manner.

4. Adjusting Magazine Lips:

- If necessary, adjust the magazine lips for different applications or calibers, ensuring they are secure before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local authorities or waste management agencies for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Remington 700 Long Action Detachable Magazine Bottom Metals, please refer to the manufacturer's website or customer support channels for assistance.

Note: This product is designed for use by individuals who are knowledgeable about firearms and their safe handling. If you are unfamiliar with firearms, seek guidance from a qualified professional before use.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Remington 700 Long Action Detachable Magazine Bottom Metals. Thank you for your attention to safety.
