

# 700 SHORT ACTION 308 DETACHABLE BOTTOM METALS - H-S PRECISION SHORT ACTION DETACHABLE MAGAZINE 308 10RD

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Add all the convenience of drop-free, box magazine to your favorite Remington 700 BDL. Spring-loaded finger latch inside the triggerguard drops the box magazine free, speeds loading and unloading. Made from durable stainless steel and finished with bake-on, matte, black Teflon® coating that's self-lubricating and resists scratches and wear. Updated version have positive locking springs on the bottom of both sides of the floor plate (holds the magazine box securely in place without the rubber o-ring), a polymer boot on bottom of box (easier to remove), and a guide slot and larger rear catch on back of box (ensures proper latch).

## Attributes

# Safety Instruction Guide for 700 SHORT ACTION 308 DETACHABLE BOTTOM METALS

## Introduction

Thank you for choosing the 700 Short Action 308 Detachable Bottom Metals by HS Precision. This product is designed to enhance your shooting experience with your Remington 700 BDL rifle. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage, installation, and disposal.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care.
- Ensure that the firearm is unloaded before installing or removing the detachable magazine.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the detachable magazine for any signs of wear or damage.
- Report any unsafe products or accidents to local authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the detachable magazine only with compatible firearms, specifically the Remington 700 BDL and HS Precision 2000.
- Ensure that the magazine is securely locked in place before use.
- Avoid using force when loading or unloading the magazine to prevent damage.
- Do not exceed the specified magazine capacity to avoid malfunctions.
- Be aware of the potential for accidental discharge when handling firearms.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the firearm is completely unloaded.
- Remove the existing magazine if applicable.
- Align the detachable bottom metal with the magazine well of the firearm.
- Securely attach the bottom metal using the provided screws, ensuring a tight fit.
- Check that the magazine release latch operates smoothly.

### 2. Usage

- To load the magazine, insert cartridges into the magazine box according to the specified capacity:
  - Five rounds for .223, .222 & .204 calibers.
  - Four rounds for standard calibers.
  - Ten rounds for .308 and similar calibers.
  - Three or eight rounds for magnum calibers (note: 8rd magazine holds 7 or 8, depending on cartridge).
- To remove the magazine, press the springloaded finger latch located inside the trigger guard.
- Always verify that the magazine is properly seated before firing.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- Do not dispose of the product in household waste.

- Consider recycling options for metal components where available.

## Contact Information for Further Support

For any questions or concerns regarding the 700 Short Action 308 Detachable Bottom Metals, please refer to the manufacturer's contact information provided in the product packaging or visit the official website for support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 700 Short Action 308 Detachable Bottom Metals. Always prioritize safety and remain informed about best practices for firearm handling and maintenance. Thank you for your attention to these important guidelines.
