

# S&W M&P SLANTPRO SIGHT SET - HEINIE SEMI-AUTO SLANTPRO SIGHTS FIT S&W M&P LEDGE

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Wedge-shaped body with rounded edges provides a smooth, snag-free draw for concealed carry and competition guns. Sits low in the slide for minimum profile. Fine-line serrations on front and rear sight blades eliminate glare for best possible sight picture. Fits factory dovetail cuts; minor fitting may be required. Supplied as a front/rear set. Standard SlantPro rear sight has a rear face that slants slightly forward and a gently curved front face. Ledge™ models have a vertical, square-cut front face that provides extra purchase for one-handed slide racking.

# **S&W M&P SLANTPRO SIGHT SET Safety Instruction Guide**

## **Introduction**

Thank you for choosing the S&W M&P SLANTPRO SIGHT SET by HEINIE. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your sight set. Please read this document carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure that the sight set is installed correctly before use.
- Always handle firearms with care and in accordance with local laws and regulations.
- Regularly inspect your sights for any signs of wear or damage.
- Keep the sight set out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Use only on compatible firearms (Smith & Wesson M&P models).
- Ensure the firearm is unloaded before installing or adjusting the sights.
- Avoid using the sight set in adverse weather conditions that may impair visibility.
- Do not modify the sight set in any way that could compromise its integrity or function.
- Always wear appropriate eye protection when using firearms.

## **Instructions for Installation and Usage**

### **Installation**

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing sights from your Smith & Wesson M&P as per the manufacturer's instructions.
3. Align the SlantPro rear sight with the factory dovetail cut on the slide.
4. Press the rear sight into place. Minor fitting may be required for a snug fit.
5. Install the front sight in a similar manner, ensuring it sits securely in the dovetail cut.
6. Check the alignment and adjust as necessary before securing.

### **Usage**

- Familiarize yourself with the sight picture provided by the SlantPro sights.
- Practice aiming and firing in a safe and controlled environment.
- Regularly clean the sights to maintain optimal visibility and performance.
- If you experience difficulty with sight alignment, consult a professional gunsmith.

## **Disposal Instructions**

- Dispose of the sight set in accordance with local regulations.
- Do not dispose of the sight set in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the S&W M&P SLANTPRO SIGHT SET, please refer to the manufacturer's contact information, which can be found on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure the safe and effective use of your S&W M&P SLANTPRO SIGHT SET. Thank you for your attention to safety and responsible firearm handling.
