

LEDGE STRAIGHT EIGHT NIGHT SIGHTS FOR GLOCK® - HEINIE

LEDGE STRAIGHT EIGHT NIGHT SIGHTS FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

This Heinie sight set for Glock Pistols features their rear Ledge design. The military inspired sight design combines the best features of their Classic and SlantPro with a few of its own that sets it apart from your target or EDC sight. Equipped with a wide square notch for quick acquisition of the front sight, the rear face slants forward and is serrated with contoured edges (so it can be carried everyday without worry of snagging). The Ledge was designed with a lip that allows the operator to cycle the slide with one hand easily, giving you the advantage in any situation. The legendary Straight Eight night sight system puts this set over the top as a must have. One single tritium insert in the rear (for low-light and night-time shooting) that aligns vertically with the single tritium front insert (when used as a set) creates a distinctly clear sight picture. This vertical alignment is proven to be faster and less confusing for the human eye. Fits all Glock models except: G36, G42, G43, G48 or pistols using suppressors or MOS/RMR plates. No fitting or modifications required for installation. Not for use with suppressors. *Rust Resistant Finish* Will fit Gen 5

Attributes

- Name: [HEINIE LEDGE STRAIGHT EIGHT NIGHT SIGHTS FOR GLOCK®](#)

Safety Instruction Guide for LEDGE STRAIGHT EIGHT NIGHT SIGHTS FOR GLOCK®

Introduction

Thank you for choosing the Heinie Ledge Straight Eight Night Sight for your Glock pistol. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain your night sights safely and effectively.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Always treat your firearm and accessories with respect and care.
- Store the night sights in a safe location, away from children and unauthorized users.
- Regularly inspect your night sights for any signs of damage or wear.
- Do not use the night sights if they are damaged or if you suspect they are not functioning correctly.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Use caution when handling your firearm, especially while installing the night sights.
- Be aware of your surroundings and ensure a safe shooting environment.
- The night sights are designed for lowlight and nighttime shooting; do not rely solely on them in bright conditions.
- Ensure that the sights are properly aligned and secured before using your firearm.
- Avoid using the night sights with suppressors or on models not specified as compatible.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure your Glock pistol is unloaded and pointed in a safe direction.
2. **Remove Existing Sights:** If applicable, carefully remove the existing sights using the appropriate tools.
3. **Install Rear Sight:**
 - Align the rear sight in the designated dovetail on the slide.
 - Use a sight pusher or appropriate tool to secure the rear sight in place.
4. **Install Front Sight:**
 - Align the front sight in the designated dovetail or screw hole on the slide.
 - Secure the front sight using the appropriate tool, ensuring it is tight and properly aligned.
5. **Check Alignment:** Verify that the sights are aligned correctly for optimal aiming.
6. **Safety Check:** Conduct a safety check on your firearm before use.

Usage

- When aiming, ensure your eye is focused on the front sight, with the rear sight aligned properly.
- Practice using the sights in a safe environment to become familiar with their operation.
- Regularly check the sights for any signs of wear or misalignment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the night sights in regular household waste.

- If the night sights are damaged or no longer usable, contact local waste management for proper disposal instructions.

Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to the manufacturer's website or customer service. Always ensure that you have the most up-to-date information regarding your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your Heinie Ledge Straight Eight Night Sights for Glock. Thank you for prioritizing safety in your shooting activities.
