

LEDGE BLACK SIGHT SET FOR GLOCK® - HEINIE LEDGE BLACK SIGHT SET FOR GLOCK®

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

This sight set is all black, free of all distractions for a confusion free sight picture. It features Heinie's rear Ledge design. This military inspired sight design combines the best features of thier Classic and SlantPro with a few of its own that sets it apart from your target or EDC sight. Equipped with a wide square notch for quick acquisition of the front sight, the rear face slants forward and is serrated with contoured edges (so it can be carried everyday without worry of snagging). The Ledge was designed with a lip that allows the operator to cycle the slide with one hand easily, giving you and edge in any situation. Fits all Glock models except: G36, G42, G43, G48 or pistols using suppressors or MOS/RMR plates. No fitting or modifications required for installation. Not for use with suppressors. *Rust Resistant Finish* Will fit Gen 5

LEDGE BLACK SIGHT SET FOR GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the LEDGE BLACK SIGHT SET FOR GLOCK®. This product has been designed with safety and performance in mind. Please read this safety instruction guide carefully to ensure safe use and installation.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before installing or using this sight set.
- Always treat firearms as if they are loaded.
- Follow all local laws and regulations regarding firearm modifications.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the sight set for any signs of wear or damage.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- This sight set is designed for use with Glock models, excluding G36, G42, G43, and G48. Ensure compatibility before installation.
- Do not use this sight set with suppressors or MOS/RMR plates.
- The rear sight features a serrated face to minimize glare. Ensure it is clean to maintain visibility.
- Always wear appropriate eye protection when handling firearms.
- Be aware of your surroundings and ensure a safe backdrop when aiming or firing.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a sight adjustment tool.

2. Installation Steps

- Remove the existing sight from your Glock model by following the manufacturer's instructions.
- Align the new LEDGE BLACK SIGHT with the sight dovetail on your firearm.
- Gently tap the sight into place using a nonmarring punch and hammer. Ensure it is secure but do not overtighten.
- Check alignment by looking down the sights to ensure they are straight and level.
- Once installed, test the sighting system by aiming at a safe target.

3. Usage Tips

- Practice acquiring your front sight quickly with the wide square notch design.
- Familiarize yourself with the lip design for onehanded slide cycling.
- Regularly practice at a shooting range to maintain proficiency.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the sight set becomes damaged beyond use, follow local laws for the disposal of firearm accessories.
- Do not dispose of the sight set in regular household waste. Check for recycling programs for metal.

components.
