# HART SCOPE BASE SHIMS Safety Instruction Guide

## Introduction

Thank you for choosing HART SCOPE BASE SHIMS by Robert W. Hart & Son. These shims are designed to help you achieve precise adjustments in scope mounting. This safety instruction guide provides essential information to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the shims out of reach of children and vulnerable individuals.
- Regularly inspect the shims for any signs of wear or damage before use.
- Do not use if any part of the product is damaged or missing.
- Follow all installation and usage instructions carefully to avoid accidents.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as gloves and eye protection, when handling shims.
- Ensure that the surface you are working on is stable and secure.
- Avoid using excessive force when adjusting shims to prevent injury or damage.
- Be aware of sharp edges on the shims that could cause cuts or scratches.
- Do not modify the shims in any way, as this may compromise their safety and effectiveness.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools before starting the installation.
- Ensure that the firearm or equipment is unloaded and safe to work on.

### 2. Installation:

- Identify the appropriate shim thickness needed for your application.
- Carefully position the shim between the base and the mounting surface.
- Align the shim properly to ensure even distribution of pressure.
- Secure the base using the appropriate screws or fasteners, ensuring they are tightened to the manufacturer's specifications.

### 3. Usage:

- After installation, check the alignment of the scope to ensure it is level and correctly positioned.
- Test the stability of the installation by gently applying pressure to the scope.
- If adjustments are necessary, repeat the installation steps as needed.

### 4. PostUse Care:

- After use, inspect the shims for any signs of wear or damage.
- Clean the shims with a soft cloth and store them in a dry place to prevent rust.

## **Disposal Instructions**

- Dispose of any damaged or unusable shims in accordance with local regulations.
- Do not dispose of shims in regular household waste if they are made of metal; check for recycling options in your area.
- Ensure that shims are out of reach of children during disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of HART SCOPE BASE SHIMS, please refer to the contact details provided with your product packaging. It is important to reach out for assistance if you have any concerns or questions about the product.

By following these safety instructions, you can ensure a safe and effective experience with your HART SCOPE BASE SHIMS. Thank you for your attention to safety!
