# Safety Instruction Guide for REMINGTON 700 TACTICAL BOLT HANDLE

## Introduction

Thank you for choosing the REMINGTON 700 Tactical Bolt Handle by Hollands Gunsmithing. This guide provides essential safety instructions and guidelines for the proper use and handling of this product. Please read this manual carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the bolt handle with care to prevent injury.
- Ensure that the firearm is unloaded before installing or using the bolt handle.
- Keep the bolt handle out of reach of children and unauthorized users.
- Inspect the bolt handle for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Use gloves when handling the bolt handle to ensure a secure grip, especially in competitive settings.
- Be cautious when clearing tight or stuck cases; use the bolt handle's leverage properly to avoid injury.
- Do not modify the bolt handle in any way that could compromise its integrity or safety.
- Always ensure that the bolt handle is securely attached before operation.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt handle from the firearm according to the manufacturer's instructions.
- Align the REMINGTON 700 Tactical Bolt Handle with the bolt assembly.
- Securely attach the bolt handle, ensuring it is firmly in place.

### 2. Usage:

- Grip the bolt handle firmly, using the sweptback design to enhance control.
- Operate the bolt smoothly to chamber rounds or clear cases.
- If you encounter resistance, do not force the bolt; instead, assess the situation and ensure there are no obstructions.

## Disposal Instructions

- Dispose of the bolt handle in accordance with local waste disposal regulations.
- Do not dispose of the bolt handle in regular household waste if it is damaged or no longer usable.
- Consider recycling options for metal components where available.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the REMINGTON 700 Tactical Bolt Handle, please contact your local dealer or the manufacturer's customer service. Ensure you have the product information ready for a quicker response.

Thank you for prioritizing safety while using the REMINGTON 700 Tactical Bolt Handle. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
