

# REMINGTON 700 TACTICAL BOLT HANDLE - HOLLANDS GUNSMITHING 4140 TACTICAL BOLT HANDLE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

## Extra Length For Quick, Positive Operation

Long, swept-back handle puts the bolt knob in easy reach for faster operation. Features a Model 70-style, rear sweep, plus .650" additional length that gives competitive and rapid fire shooters, or anyone wearing gloves, a sure, positive grip. Provides the needed leverage to help clear tight or stuck cases.

# Safety Instruction Guide for REMINGTON 700 Tactical Bolt Handle

## Introduction

Thank you for choosing the REMINGTON 700 Tactical Bolt Handle from Hollands Gunsmithing. This product enhances the functionality of your firearm, providing a more efficient and comfortable operation. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this instruction manual.

## General Safety Guidelines

- Ensure that the product is installed and used in accordance with the manufacturer's instructions.
- Always treat your firearm as if it is loaded, and follow all standard firearm safety practices.
- Keep this product out of reach of children and unauthorized users.
- Regularly check the product for any signs of wear or damage before use.
- If you notice any irregularities, discontinue use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Use the bolt handle only with the compatible REMINGTON 700 model to avoid malfunctions.
- Wear gloves if necessary to maintain a secure grip during operation.
- Avoid using excessive force when operating the bolt handle to prevent damage to the firearm or the handle.
- Do not modify the bolt handle in any way, as this may compromise safety and performance.
- Always ensure that the firearm is pointed in a safe direction when operating the bolt handle.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt handle from the REMINGTON 700 by following the manufacturer's instructions.
- Align the new tactical bolt handle with the bolt mechanism.
- Securely fasten the handle according to the manufacturer's specifications, ensuring it is tightly in place.

### 2. Usage:

- Grip the bolt handle firmly with your dominant hand.
- Use the sweptback design to pull the bolt back swiftly and smoothly.
- When reloading, ensure that the bolt is fully engaged before firing to prevent malfunction.
- After use, clean the bolt handle to maintain its condition and performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please reach out to the designated EUbased contact point provided with your purchase.

## **Conclusion**

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your REMINGTON 700 Tactical Bolt Handle. Always prioritize safety and consult professionals when in doubt. Thank you for your commitment to responsible firearm use.
