

SEMI-AUTO PISTOL GRIPS - HOGUE RU/FG FITS SIG P226

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Hand-Filling, Versatile Designs In Rubber & Wood

Hand-filling grips help absorb recoil by spreading the shock over a wider area of the hand. Finger groove models for semi-autos tighten the grip upward, into the triggerguard for better recoil control. All wood grips are cut from imported, select grades of hardwood. Molded rubber grips cushion recoil. Non-slip, pebble finish. 1911 Auto checkered grips are Double Diamond pattern.

Attributes

- Name: [HOGUE RU/FG FITS SIG P226](#)
- Manufacturer: [HOGUE](#)
- Product no.: 408000014
- Mfr. No.: 26000

SEMIAUTO PISTOL GRIPS HOGUE RU/FG FITS SIG P226 Safety Instructions

Introduction

Thank you for choosing the SEMIAUTO PISTOL GRIPS HOGUE RU/FG designed for the SIG P226. This guide provides essential safety instructions to ensure the proper and safe use of the product. Please read this document carefully before using the grips.

General Safety Guidelines

- Ensure the grips are compatible with your firearm model before installation.
- Always handle firearms with care and follow standard safety practices.
- Regularly inspect the grips for wear or damage. Do not use if any defects are found.
- Keep the grips out of reach of children and unauthorized users.
- In case of an accident or unsafe product, report it to the appropriate authorities.

Specific Safety Precautions for Use

- **Recoil Management:** The handfilling design of the grips helps absorb recoil. Ensure a proper grip is maintained to enhance control during use.
- **Finger Grooves:** The finger groove feature is designed to improve grip stability. Always ensure your fingers are correctly positioned before firing.
- **Material Awareness:** The grips are made from wood or molded rubber. Be cautious of any allergic reactions to these materials.
- **Use in Dry Conditions:** Avoid using the grips in wet or slippery conditions to maintain a secure hold.
- **Regular Maintenance:** Clean the grips regularly with a damp cloth and ensure they are free from debris that may affect grip performance.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from your SIG P226 following the manufacturer's instructions.
- Align the new HOGUE grips with the grip frame of the firearm.
- Secure the grips using the provided screws, ensuring they are tightened adequately but not overtightened to avoid damage.

2. Usage:

- Grip the firearm firmly using the HOGUE grips.
- Maintain a proper stance and posture while aiming.
- Always be aware of your surroundings and ensure a clear line of sight before firing.

Disposal Instructions

- Dispose of the grips in accordance with local regulations regarding wood and rubber materials.
- Do not dispose of the grips in regular household waste if they are damaged or contain hazardous materials.

Contact Information for Further Support

For any inquiries regarding the safety of this product, please refer to the manufacturer's website or contact your local distributor.
