

# EZG™ GRIND RECOIL PADS - HOGUE MEDIUM, BLACK

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Universal](#)

## Space-Age Neoprene Elastomer Cushions Painful Recoil

Ultra-soft, space-age, polymerized, synthetic rubber pad cushions painful recoil and saves your shoulder. Polymer base plate flexes slightly to resist cracking and to fit less-than-perfect stocks. Customizable pads grind cleanly; oversized for the perfect fit on your rifle or shotgun.

## Attributes

# **EZG™ GRIND RECOIL PADS HOGUE MEDIUM, BLACK Safety Instruction Guide**

## **Introduction**

Thank you for purchasing the EZG™ Grind Recoil Pads by HOGUE. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before installation and use.

## **General Safety Guidelines**

- Ensure the product is suitable for your specific rifle or shotgun model.
- Inspect the recoil pad for any visible damage before use.
- Always follow the manufacturer's instructions for installation and use.
- Keep the recoil pad out of reach of children and vulnerable individuals to prevent misuse or accidents.
- In case of any discomfort or injury while using the recoil pad, discontinue use immediately and consult a professional.

## **Specific Safety Precautions for Use**

- The recoil pad is designed to cushion recoil. Ensure it is properly fitted to your firearm to maximize effectiveness.
- Avoid using the recoil pad on firearms that exceed the manufacturer's specified limits.
- Use only the screws provided with the recoil pad for installation. Do not substitute with other screws.
- Regularly check the installation of the recoil pad to ensure it remains secure during use.
- Be aware of your surroundings when using firearms equipped with the recoil pad to avoid accidents.

## **Instructions for Installation and Usage**

### **Installation Steps**

1. **Preparation:** Gather all necessary tools. Ensure you have the provided screws and a screwdriver.
2. **Remove Old Pad:** If applicable, carefully remove any existing recoil pad from your firearm.
3. **Fit the New Pad:**
  - Align the EZG™ Grind Recoil Pad with the stock of your firearm.
  - Ensure that the pad is centered and fits snugly against the stock.
4. **Secure the Pad:**
  - Using the provided screws, attach the recoil pad to the stock.
  - Tighten the screws, but do not overtighten as this may cause damage to the pad or stock.
5. **Final Check:** Ensure the pad is securely attached and does not move when pressure is applied.

### **Usage Instructions**

- When using the firearm, maintain a proper grip and stance to effectively absorb recoil.
- Regularly inspect the recoil pad for wear and tear, replacing it as necessary for optimal performance.
- If you experience discomfort or pain while using the firearm, reassess your grip and stance, and consider consulting a professional for advice.

### **Disposal Instructions**

- Dispose of the recoil pad in accordance with local regulations.
- Do not dispose of the recoil pad in regular household waste if it is damaged or worn out. Check for recycling options in your area.

- Ensure that any screws or small parts are disposed of safely to prevent accidental ingestion by children or pets.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please contact the manufacturer directly. Ensure you have the product details ready for efficient assistance.

Thank you for prioritizing safety and for choosing HOGUE products. Enjoy your shooting experience with the EZG™ Grind Recoil Pad!
