

# **EZG™ GRIND RECOIL PADS - HOGUE LARGE, BLACK**

[Home](#)

## **Space-Age Neoprene Elastomer Cushions Painful Recoil**

Ultra-soft, space-age, polymerized, synthetic rubber pad cushions painful recoil and saves your shoulder. Polymer base plate flexes slightly to resist cracking and to fit less-than-perfect stocks. Customizable pads grind cleanly; oversized for the perfect fit on your rifle or shotgun.

# **EZG™ GRIND RECOIL PADS HOGUE LARGE, BLACK Safety Instruction Guide**

## **Introduction**

Thank you for choosing the EZG™ Grind Recoil Pads by HOGUE. This product is designed to provide comfort and protection from recoil while using your rifle or shotgun. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## **General Safety Guidelines**

- Ensure that the recoil pad is compatible with your firearm before installation.
- Always inspect the recoil pad for any signs of damage before use.
- Keep the recoil pad out of reach of children and vulnerable individuals when not in use.
- Follow all local laws and regulations regarding firearm accessories.

## **Specific Safety Precautions for Use**

- Use the recoil pad only for its intended purpose—cushioning recoil from rifles and shotguns.
- Avoid using the recoil pad on firearms that are not recommended by the manufacturer.
- Do not modify the recoil pad in any way, as this may compromise its safety and effectiveness.
- If you experience any discomfort or pain while using the recoil pad, discontinue use immediately and consult a professional.

## **Instructions for Installation and Usage**

### **1. Preparation for Installation:**

- Gather necessary tools: a screwdriver and the included screws.
- Ensure the firearm is unloaded and pointed in a safe direction.

### **2. Installing the Recoil Pad:**

- Remove any existing recoil pad from your firearm if applicable.
- Align the EZG™ Grind Recoil Pad with the stock of the firearm.
- Insert the screws through the pad and into the stock, tightening them securely but avoiding overtightening, which could damage the stock.

### **3. Using the Recoil Pad:**

- Ensure the pad is securely attached before each use.
- Position your shoulder against the pad when firing to maximize comfort and protection.
- Regularly check the pad for wear and tear, and replace it if necessary.

## **Disposal Instructions**

- Dispose of the recoil pad in accordance with local regulations for plastic and rubber products.
- Do not incinerate the recoil pad, as this may release harmful substances.
- If the product is damaged or no longer usable, consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the EZG™ Grind Recoil Pads, please consult the manufacturer's website or contact your local retailer for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your EZG™ Grind Recoil Pads. Thank you for your attention to safety.
