

REMINGTON/MOSSBERG TAMER PISTOL GRIP & FOREND - HOGUE

REM. TAMER GRIP & FOREND

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Pistol Grips](#)

Hand Filling For Maximum Grip & Control

Comfortable, rubber over-molded pistol grip and forend provide maximum performance and recoil control in all types of shooting scenarios. Advanced Tamer technology features an internal Sorbothane cushion that helps dampen felt recoil in the web of the hand. Pistol grip design includes dual palm swells and equally proportioned finger grooves, allowing both right- and left-handed operators to shoot with confidence. Pebble textured rubber surface provides a firm grip even when wet. Models available for Remington 870, Mossberg 500, 590, and 835. Rem. model includes 1-1/8" wide sling loop molded into pistol grip

Safety Instruction Guide for REMINGTON/MOSSBERG TAMER PISTOL GRIP & FOREND

Introduction

Thank you for choosing the REMINGTON/MOSSBERG TAMER PISTOL GRIP & FOREND. This product is designed to enhance your shooting experience by providing comfort, control, and stability. To ensure your safety and the optimal performance of this product, please read and follow this safety instruction guide.

General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded when installing or adjusting the grip and forend.
- Keep the product away from children and unauthorized users.
- Regularly inspect the grip and forend for signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the grip or forend if you notice any cracks, tears, or other damage.
- Ensure that the grip is securely attached before use to prevent accidents.
- Use the product only for the intended firearms: Remington 870 and Mossberg 500, 590, and 835.
- Make sure to use the Mossberg Forend Adapter nut if fitting onto Mossberg 500/590/835 with 6¾" forend tubes.
- Avoid using the product in extreme temperatures or conditions that may compromise safety.
- Always wear appropriate eye and ear protection when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grip and forend from the firearm according to the manufacturer's instructions.
- Align the TAMER PISTOL GRIP & FOREND with the mounting points on your firearm.
- Securely attach the grip and forend, ensuring all fittings are tight and secure.
- If applicable, install the Mossberg Forend Adapter nut before attaching the forend.

2. Usage:

- Grip the pistol grip firmly, ensuring your fingers are placed in the finger grooves for optimal control.
- Maintain a firm grip even in wet conditions, thanks to the pebble textured rubber surface.
- Practice safe shooting techniques and be aware of your surroundings at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and rubber waste.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries regarding product safety or support, please refer to the contact information provided by the manufacturer or retailer at the time of purchase.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the REMINGTON/MOSSBERG TAMEER PISTOL GRIP & FOREND!
