

# OVERMOLDED SHOTGUN STOCK & FOREND SETS - HOGUE MOSS.500 SHORTSHOT STK/FOREND SET, 12GA.

[Home](#)

## Durable Stock With Outstanding Grip Characteristics; Rubber-Coated Finish Grips Great, With Or Without Gloves

Fiberglass-reinforced, polymer, shotgun stock provides synthetic-stock durability and is overmolded with rubber for a sure grip every time you grab your gun. Rubber is pebble-textured in the gripping areas. Includes recoil-cushioning, butt pad and an integral, sling-swivel stud. Available in standard, factory length of pull or in ShortShot, 12" length of pull for use with body armor or for smaller shooters. Available in sets or individually. Sets and individual components fit 12 gauge only.

# OVERMOLDED SHOTGUN STOCK & FOREND SETS HOGUE MOSS.500 SHORTSHOT STK/FOREND SET, 12GA Safety Instruction Guide

## Introduction

Thank you for choosing the OVERMOLDED SHOTGUN STOCK & FOREND SET by HOGUE. This safety instruction guide is designed to ensure the safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using your shotgun stock and forend set.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a shotgun stock and forend set for 12 gauge shotguns.
- Always handle firearms with care and follow all applicable laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that your shotgun is unloaded before installing or handling the stock and forend set.
- Use only compatible shotgun models, specifically the Mossberg 500 and 835, with the correct forend adapter nut.
- Ensure that the rubber overmolded areas are clean and free of debris to maintain a secure grip.
- Do not modify or alter the stock and forend set in any way, as this may compromise safety.
- Use appropriate protective gear, such as eye protection, when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the shotgun is unloaded and pointed in a safe direction.
2. **Remove Existing Stock:** Use the appropriate tools to carefully remove the existing stock from the shotgun.
3. **Install New Stock:**
  - Align the new stock with the shotgun's receiver.
  - Securely attach the stock using the provided screws or fasteners.
4. **Install Forend:**
  - Remove the existing forend by unscrewing it from the forend tube.
  - Align the new forend with the forend tube and secure it in place.
5. **Final Inspection:** Check that both the stock and forend are securely attached before use.

### Usage

- Grip the shotgun firmly by the rubber overmolded areas to ensure a secure hold.
- Maintain proper shooting stance and posture while using the shotgun.
- After use, clean and maintain the shotgun and its components according to manufacturer guidelines.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not incinerate or dispose of in regular household waste.
- Contact local waste management authorities for information on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or support regarding the OVERMOLDED SHOTGUN STOCK & FOREND SET, please contact your local HOGUE distributor or authorized retailer.

By following these safety instructions, you can ensure a safer experience with your OVERMOLDED SHOTGUN STOCK & FOREND SET. Thank you for prioritizing safety and compliance.
