

# OVERMOLDED SHOTGUN STOCK & FOREND SETS - HOGUE MOSS. 500 STOCK/FOREND SET, 12GA.

[Home](#)

## Durable Stock With Outstanding Grip Characteristics; Rubber-Coated Finish Grips Great, With Or Without Gloves

Fiberglass-reinforced, polymer, shotgun stock provides synthetic-stock durability and is overmolded with rubber for a sure grip every time you grab your gun. Rubber is pebble-textured in the gripping areas. Includes recoil-cushioning, butt pad and an integral, sling-swivel stud. Available in standard, factory length of pull or in ShortShot, 12" length of pull for use with body armor or for smaller shooters. Available in sets or individually. Sets and individual components fit 12 gauge only.

# OVERMOLDED SHOTGUN STOCK & FOREND SETS HOGUE MOSS. 500 STOCK/FOREND SET, 12GA Safety Instruction Guide

## Introduction

Thank you for choosing the OVERMOLDED SHOTGUN STOCK & FOREND SET from HOGUE. This guide provides essential safety instructions to ensure the safe use and maintenance of your shotgun stock and forend set. Please read this guide carefully before use to understand the safety precautions and proper handling of your product.

## General Safety Guidelines

- Always treat your shotgun as if it is loaded, even if you believe it is not.
- Store your shotgun securely, out of reach of children and unauthorized users.
- Always use appropriate eye and ear protection when using your shotgun.
- Be aware of your surroundings and ensure a clear and safe shooting area.
- Regularly inspect your shotgun stock and forend for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Ensure that the shotgun stock and forend set are compatible with your Mossberg 500 model.
- Do not use the shotgun stock and forend set if they show signs of damage or if any components are missing.
- Avoid using the shotgun in wet or slippery conditions to maintain a secure grip.
- The rubber overmolding provides a sure grip, but always ensure your hands are clean and dry before handling.
- Do not modify the stock or forend set in any way, as this may compromise safety and performance.
- Always use the recoil cushioning butt pad as intended to prevent injury during use.

## Instructions for Installation and Usage

### Installation

1. Ensure your shotgun is unloaded and pointed in a safe direction.
2. Remove the existing stock and forend according to the manufacturer's instructions.
3. Align the OVERMOLDED SHOTGUN STOCK with the shotgun receiver and secure it using the provided hardware.
4. Attach the forend by aligning it with the forend tube and securing it tightly.
5. Check that both the stock and forend are firmly attached and do not wobble.

### Usage

- Grip the shotgun firmly with both hands, ensuring your fingers are clear of the trigger until you are ready to fire.
- Adjust your stance to maintain balance and stability while aiming.
- After firing, always check the shotgun for any malfunctions or issues before firing again.
- Clean and maintain the stock and forend regularly to ensure optimal performance.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the stock or forend set becomes damaged beyond repair, follow local guidelines for the disposal of plastic and rubber materials.
- Do not dispose of the stock and forend set in regular household waste; check for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the OVERMOLDED SHOTGUN STOCK & FOREND SET, please contact the manufacturer or your local retailer for support. Ensure you have your product details handy for the most effective assistance.

## **Conclusion**

By following these safety guidelines, you can ensure a safe and enjoyable experience with your OVERMOLDED SHOTGUN STOCK & FOREND SET. Always prioritize safety and responsibility when handling firearms. Thank you for your attention to these important instructions.
