# OVERMOLDED SHOTGUN FORENDS HOGUE MOSS 500 Safety Instruction Guide

## Introduction

Thank you for choosing the OVERMOLDED SHOTGUN FORENDS HOGUE MOSS 500. This guide provides essential safety instructions to ensure the safe use and handling of your shotgun forend. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always treat your shotgun as if it is loaded.
- Keep the shotgun pointed in a safe direction at all times.
- Ensure that the safety mechanism is engaged until you are ready to fire.
- Store your shotgun in a secure location, out of reach of children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding shotgun ownership and usage.
- Regularly inspect the shotgun and forend for any signs of wear or damage before use.
- Use only compatible ammunition as specified by the manufacturer.

## Specific Safety Precautions for Use

- The OVERMOLDED SHOTGUN FOREND is designed for use with Mossberg 500 shotguns. Do not attempt to use it with other models.
- Ensure that the forend is properly installed before using the shotgun.
- Avoid using the shotgun in wet or slippery conditions which may affect grip.
- Do not modify the forend or any part of the shotgun as this may compromise safety.
- If you experience any malfunction while using the shotgun, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation of the Forend:

- Ensure your shotgun is unloaded and the safety is engaged.
- Remove the existing forend by unscrewing it from the shotgun.
- Align the OVERMOLDED SHOTGUN FOREND with the mounting bracket on the shotgun.
- Secure the forend in place by tightening the screws until snug, but do not overtighten.
- Check that the forend is firmly attached and does not move.

### 2. Using the Shotgun with the Forend:

- Grip the forend firmly using the pebbletextured rubber grip.
- Maintain a proper shooting stance for stability.
- When ready to fire, disengage the safety and aim at your target.
- After firing, reengage the safety before handling the shotgun further.

## Disposal Instructions

- When disposing of the OVERMOLDED SHOTGUN FOREND, follow local regulations regarding the disposal of polymer and rubber materials.
- Ensure that any used or damaged parts are disposed of safely to prevent injury to others.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for adhering to these safety guidelines. Your safety and the safety of those around you are of utmost importance. Always practice safe handling and storage of your shotgun and accessories.
