

REMINGTON/MOSSBERG TAMER PISTOL GRIP & FOREND - HOGUE MOSS. TAMER GRIP & FOREND

[Shotgun Parts](#) > [Stock & Forend Parts](#) > [Pistol Grips](#)

Hand Filling For Maximum Grip & Control

Comfortable, rubber over-molded pistol grip and forend provide maximum performance and recoil control in all types of shooting scenarios. Advanced Tamer technology features an internal Sorbothane cushion that helps dampen felt recoil in the web of the hand. Pistol grip design includes dual palm swells and equally proportioned finger grooves, allowing both right- and left-handed operators to shoot with confidence. Pebble textured rubber surface provides a firm grip even when wet. Models available for Remington 870, Mossberg 500, 590, and 835. Rem. model includes 1-1/8" wide sling loop molded into pistol grip

REMINGTON/MOSSBERG TAMER PISTOL GRIP & FOREND SAFETY INSTRUCTION GUIDE

Introduction

Thank you for purchasing the Remington/Mossberg Tamer Pistol Grip & Forend by Hogue. This product is designed to enhance your shooting experience with improved comfort and recoil control. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that your firearm is pointed in a safe direction at all times.
- Store your firearm and accessories securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the pistol grip and forend are securely attached to the firearm before use.
- Do not use the pistol grip or forend if they show signs of damage or wear.
- Avoid using the product in extreme weather conditions that could compromise its integrity.
- Use caution when shooting with wet hands or in wet conditions, as the grip may become slippery despite its textured surface.
- When switching between right and lefthanded use, ensure that the grip fits comfortably and securely in your hand.
- Always wear appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

Installation

1. **Check Compatibility:** Ensure that the Tamer Pistol Grip & Forend is compatible with your firearm model (Remington 870 or Mossberg 500, 590, or 835).
2. **Remove Old Grip and Forend:** Follow your firearm's manual to safely remove the existing grip and forend.
3. **Install the Forend:**
 - Align the forend with the forend tube of your firearm.
 - Securely attach the forend using the Mossberg Forend Adapter nut if necessary.
4. **Install the Pistol Grip:**
 - Align the pistol grip with the receiver of your firearm.
 - Ensure the grip is securely fastened to prevent any movement during use.

Usage

- Grip the pistol grip firmly with both hands, ensuring that your fingers are positioned within the finger grooves for optimal control.
- Maintain a proper shooting stance and alignment with your target.
- Practice shooting in a safe and controlled environment to become familiar with the feel and handling of the grip and forend.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the product in household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Remington/Mossberg Tamer Pistol Grip & Forend, please consult the manufacturer's website or contact their customer support for assistance.

This safety instruction guide is designed to ensure your safety and enhance your shooting experience. Always prioritize safety and responsible firearm handling. Thank you for choosing our product.
