Safety Instructions for Hogue Ruger 22/45 Rubber Grips

Introduction

Thank you for choosing the Hogue Ruger 22/45 Rubber Grips. These grips are designed to enhance your shooting experience with improved grip control and comfort. This safety instruction guide provides essential information to ensure safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle the grips with care to avoid injury.
- Ensure that the firearm is unloaded before installation or adjustment of the grips.
- Keep the grips and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect the grips for signs of wear or damage. Replace if necessary.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- **Compatibility Warning:** These grips are designed exclusively for Ruger 22/45 RP models with removable panels. They do not fit MK IV models and will only fit MK III models.
- **Grip Control:** The rubber material provides a textured surface for better grip; however, ensure your hands are clean and dry for optimal performance.
- **Installation Safety:** Use appropriate tools for installation. Do not force the grips onto the firearm, as this may cause damage.
- **Environmental Considerations:** Avoid exposing the grips to extreme temperatures or harsh chemicals that may degrade the rubber material.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, such as a screwdriver, for installation.

2. Installation:

- Remove the existing grips from your Ruger 22/45 RP by unscrewing the screws.
- Align the Hogue grips with the firearm's frame, ensuring that the finger grooves are positioned correctly.
- Secure the grips by tightening the screws until snug. Do not overtighten, as this may strip the screws or damage the grips.

3. Usage:

- Hold the firearm firmly with both hands, ensuring a proper grip on the Hogue grips.
- Practice safe shooting techniques and follow all standard firearm safety rules.

Disposal Instructions

- Dispose of the grips in accordance with local regulations. If the grips are damaged or no longer usable, consider recycling the rubber material if possible.

- Do not dispose of the grips in regular household waste if they are still functional; consider donating them to a local shooting club or organization.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Hogue Ruger 22/45 Rubber Grips, please refer to the manufacturer's contact details provided with the product packaging or visit the official Hogue website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Hogue Ruger 22/45 Rubber Grips. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these important guidelines.
