[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The new grip sleeves are designed to fit specific polymer pistols now on the market. The Beavertail Grip Sleeve line has been engineered with models for precision fits on specific firearms. The initial offerings in this series has sleeves designed for perfect fits on three sizes of polymer firearms. While each sleeve has been created for a precise fit on specific polymer framed firearms, they also alternatively fit many other similarly sized firearms with a fully functional and aesthetic fit. The Beavertail Grip Sleeves are installed by slipping them over the frame of the firearm until seated into perfect position. Once installed, the HandALL sleeve provides a single finger groove for instinctive handling of the firearm. The finger groove leads into a gentle palm swell that has been carefully designed to fit naturally in the hand. The beavertail built into the grip sleeve rises high along the backstrap of the frame giving full rubber contact with the hand allowing a higher hand-placement on the grip without the fear of the slide biting the skin between the thumb and the trigger finger. In addition to protection and comfort, the beavertail also cushions the hand during recoil. The HandALL is built from a long-lasting durable thermoplastic elastomer compound. This rubber ages very gracefully and keeps a firm, tacky feel throughout the life of the grip. It will not harden, split or crack with age or usage. The grip sleeve is textured with Hogue's familiar Cobblestone™ texture, a series of small circular bumps that provide an efficient non-slip, non-irritating grip on the rubber.

## **Attributes**

- Name: [HOGUE HANDALL BEAVERTAIL GRIP SLEEVE BLACK S&W M&P SHIELD 45](#)
- Manufacturer: [HOGUE](#)
- Product no.: 408000178

# HANDALL BEAVERTAIL GRIP SLEEVES SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the HandALL Beavertail Grip Sleeves by Hogue. This product is designed to enhance your grip on specific polymerframed firearms. To ensure your safety and the safe use of this product, please read and follow the instructions and guidelines outlined in this document.

## General Safety Guidelines

- **Product Safety:** Ensure that you use this product only as intended. The HandALL Grip Sleeves are designed for specific firearm models and should not be used with incompatible firearms.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a notification, follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards. Verify that you are buying from a reputable source.
- **Special Consumer Focus:** Keep this product out of reach of children and vulnerable individuals. It is designed for adult use only.
- **EU Contact Point:** For any safety inquiries or concerns, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on unsafe products.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the HandALL Grip Sleeve is compatible with your firearm model. The following models are compatible: Smith & Wesson M&P Shield, Kahr CW40, CW9, P40, P9, and .45.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which may lead to unsafe handling of the firearm.
- **Regular Inspection:** Periodically inspect the grip sleeve for signs of wear, damage, or degradation. Replace it if any issues are detected.
- **Avoid Extreme Conditions:** Do not expose the grip sleeve to extreme temperatures, chemicals, or abrasive materials that may compromise its integrity.
- **Proper Handling:** Always handle your firearm with care, ensuring that it is unloaded when installing or adjusting the grip sleeve.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip sleeves or accessories from the firearm.

### 2. Installation:

- Take the HandALL Grip Sleeve and align it with the frame of the firearm.
- Slip the grip sleeve over the frame until it is fully seated in its proper position. Ensure that it fits snugly without any gaps.
- Check that the finger groove aligns with your hand for optimal grip.

### 3. Usage:

- Once installed, the HandALL Grip Sleeve provides a single finger groove for improved handling.
- The beavertail design offers additional comfort and protection during use.
- Ensure that your grip is firm but not overly tight to maintain control and comfort.

#### **4. PostInstallation Check:**

- After installation, check that the grip sleeve is secure and that there are no obstructions to the firearm's operation.
- Test the grip by holding the firearm and ensuring it feels comfortable and secure in your hand.

## **Disposal Instructions**

- When disposing of the HandALL Grip Sleeve, follow local regulations regarding rubber and plastic disposal.
- Do not dispose of the grip sleeve in regular household waste. Check for recycling options in your area.
- If the product is damaged or no longer usable, ensure it is stored safely until disposal to prevent any accidents.

## **Contact Information for Further Support**

For any questions or concerns regarding the HandALL Beavertail Grip Sleeves, please refer to the contact information provided by the retailer or manufacturer from whom you purchased the product. They will assist you with any safety inquiries or product support you may require.

Thank you for prioritizing safety while using the HandALL Beavertail Grip Sleeves. Your safety and satisfaction are our top priorities.
