

# HANDALL BEAVERTAIL GRIP SLEEVES - HOGUE HANDALL BEAVERTAIL GRIP SLEEVE BLACK SIG SAUER P365

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The new grip sleeves are designed to fit specific polymer pistols now on the market. The Beavertail Grip Sleeve line has been engineered with models for precision fits on specific firearms. The initial offerings in this series has sleeves designed for perfect fits on three sizes of polymer firearms. While each sleeve has been created for a precise fit on specific polymer framed firearms, they also alternatively fit many other similarly sized firearms with a fully functional and aesthetic fit. The Beavertail Grip Sleeves are installed by slipping them over the frame of the firearm until seated into perfect position. Once installed, the HandALL sleeve provides a single finger groove for instinctive handling of the firearm. The finger groove leads into a gentle palm swell that has been carefully designed to fit naturally in the hand. The beavertail built into the grip sleeve rises high along the backstrap of the frame giving full rubber contact with the hand allowing a higher hand-placement on the grip without the fear of the slide biting the skin between the thumb and the trigger finger. In addition to protection and comfort, the beavertail also cushions the hand during recoil. The HandALL is built from a long-lasting durable thermoplastic elastomer compound. This rubber ages very gracefully and keeps a firm, tacky feel throughout the life of the grip. It will not harden, split or crack with age or usage. The grip sleeve is textured with Hogue's familiar Cobblestone™ texture, a series of small circular bumps that provide an efficient non-slip, non-irritating grip on the rubber.

## Attributes

- Name: [HOGUE HANDALL BEAVERTAIL GRIP SLEEVE BLACK SIG SAUER P365](#)
- Manufacturer: [HOGUE](#)
- Product no.: 408000229
- Mfr. No.: 18700

# HANDALL BEAVERTAIL GRIP SLEEVES Safety Instruction Guide

## Introduction

Thank you for choosing the HANDALL BEAVERTAIL GRIP SLEEVES by HOGUE. This product is designed to enhance your grip on polymerframed firearms, providing improved comfort and control. This safety instruction guide outlines important safety information and usage instructions to ensure your safety and satisfaction.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip sleeve with your firearm. Familiarize yourself with the product before use.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If purchased online, ensure the platform complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or manufacturer's website for EUbased contact information.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the grip sleeve is compatible with your firearm model (Sig Sauer P365). An improper fit may lead to loss of control.
- **Installation:** Follow the installation instructions carefully. Incorrect installation may affect grip performance.
- **Inspection:** Regularly inspect the grip sleeve for signs of wear, damage, or deterioration. Do not use if damaged.
- **Handling:** Always handle your firearm responsibly. The grip sleeve does not substitute for safe firearm handling practices.
- **Recoil Management:** Be aware that while the beavertail provides cushioning, proper grip and stance are essential for managing recoil effectively.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before installing the grip sleeve.
- Align the grip sleeve with the frame of the firearm.
- Slip the sleeve over the frame until it is seated in the correct position. Ensure it fits snugly.
- Check that the finger groove and palm swell align naturally with your hand.

### 2. Usage:

- Grip the firearm firmly using the installed sleeve.
- Use the finger groove for instinctive handling.
- Maintain a proper stance and grip to enhance control and accuracy.

## Disposal Instructions

- Dispose of the grip sleeve in accordance with local regulations.
- Do not incinerate or dispose of in regular household waste if the product is damaged or worn out.

## **Contact Information for Further Support**

For any inquiries or support regarding the HANDALL BEAVERTAIL GRIP SLEEVES, please refer to the manufacturer's website or product packaging for contact details.

Thank you for your attention to these safety guidelines. Enjoy your enhanced grip experience with the HANDALL BEAVERTAIL GRIP SLEEVES by HOGUE.
