# Safety Instruction Guide for Hogue 1911 Government Magrip Kits

## Introduction

Thank you for choosing the Hogue 1911 Government Magrip Kit. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your grip panels. Please read this document carefully before use.

## General Safety Guidelines

- Always use the product as intended and follow all instructions provided.
- Ensure that the grip panels are compatible with your specific model of the 1911 Government firearm.
- Inspect the product for any signs of damage or wear before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the grip panels.
- Use appropriate tools when tightening screws to avoid stripping or damaging the grip.
- Do not modify the grip panels or use them in ways not intended by the manufacturer.
- Be aware of the ambidextrous safety cut feature, and ensure it operates correctly before use.
- Always follow standard firearm safety practices when handling your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Gather the necessary tools: a 3/32" hex driver and a torque wrench.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Remove the existing grip panels from your 1911 Government firearm.
- Align the Hogue G10 grip panels with the grip screw holes.
- Insert the grip screws through the panels and into the firearm.
- Tighten the screws gradually, alternating between them to ensure even pressure.
- Use a torque wrench to tighten the screws to 12 in/lbs of torque.

### 3. PostInstallation Check

- Verify that the grip panels are securely attached and that there is no movement.
- Check the operation of the ambidextrous safety cut.
- Ensure that the grip panels do not interfere with any firearm functions.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product is no longer usable, dispose of it in accordance with local regulations for electronic waste or plastic materials.

## **Contact Information for Further Support**

For any inquiries or support related to the Hogue 1911 Government Magrip Kit, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and the proper functioning of your firearm are our top priorities.
