# Safety Instruction Guide for Hogue 1911 Government Magrip Kits

## Introduction

Thank you for choosing the Hogue 1911 Government Magrip Kit. This guide provides essential safety instructions to ensure the proper use and maintenance of your grip panels. Please read this document carefully to understand how to safely install and use your product.

## General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents or injuries.
- Always handle the grip panels with care to avoid damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip panels for wear and tear. Replace them if any damage is found.
- Do not use the product in a manner not intended by the manufacturer.

## Specific Safety Precautions for Use

- Only use the grip panels with compatible 1911 Government models.
- Ensure that the firearm is unloaded before installing the grip panels.
- Tighten grip screws to a maximum torque of 12 in/lbs using a 3/32" hex driver.
- Avoid overtightening the screws, as this may damage the grip panels or the firearm.
- If you notice any unusual behavior while using the firearm, stop using it immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather the necessary tools: a 3/32" hex driver.

### 2. Installation:

- Remove the existing grip panels from your 1911 Government model.
- Align the Hogue G10 grip panels with the grip screw holes.
- Insert the grip screws and handtighten them to hold the panels in place.
- Use the 3/32" hex driver to tighten the screws to 12 in/lbs of torque. Ensure they are securely fastened but do not overtighten.

### 3. Usage:

- Regularly check the tightness of the grip screws, especially after extensive use.
- Clean the grip panels with a soft, damp cloth. Avoid using harsh chemicals that may damage the G10 material.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the grip panels are damaged beyond repair, dispose of them in accordance with local waste disposal regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or installation of your Hogue 1911 Government Magrip Kit, please contact your local dealer or consult the manufacturer's website for further assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your Hogue 1911 Government Magrip Kit responsibly!
