Safety Instruction Guide for 1911 Government Magrip Kits Hogue

Introduction

Thank you for choosing the Hogue 1911 Government Magrip Kit. This guide provides essential safety instructions to ensure the safe use and installation of the grip panels. Please read this guide carefully before use to understand how to handle the product safely and effectively.

General Safety Guidelines

- Ensure that you are using this product in accordance with the manufacturer's instructions and guidelines.
- Always inspect the product for any defects or damages before installation and use.
- Keep the product out of reach of children and individuals who may not understand its proper use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about any recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation or use may lead to accidents or injuries.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before attempting to install the grip panels.
 - Use the correct tools as specified in the installation instructions.
 - Do not force the grip panels into place; they should fit snugly without excessive pressure.
 - Regularly check the grip screws to ensure they are tightened to the recommended torque specification of 12 in/lbs.
- **Agesspecific Warnings:** This product is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a correct fitting 3/32" hex driver.
- Ensure your firearm is completely unloaded and safe to handle.

2. Installation Steps:

- Remove the existing grips from your 1911 Government firearm carefully.
- Align the Hogue grip panels with the grip screw holes on the firearm.
- Insert the grip screws through the grip panels into the holes of the firearm.
- Using the 3/32" hex driver, tighten the grip screws to a torque of 12 in/lbs. Do not overtighten.

3. PostInstallation Check:

- After installation, check that the grip panels are securely attached and that there is no movement.
- Ensure that the ambidextrous safety functions correctly with the new grip panels.

4. Usage:

- Handle the firearm responsibly and always follow safe firearm handling practices.
- Regularly inspect the grip panels and screws for wear or damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the grip panels are damaged and no longer usable, dispose of them in a manner that complies with local waste disposal regulations.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Hogue 1911 Government Magrip Kit, please refer to the manufacturer's guidelines or consult with a qualified firearms expert.

Thank you for your attention to these safety guidelines. Your safety is our priority.
