Safety Instruction Guide for Hogue 1911 Government Magrip Kits

Introduction

Thank you for choosing the Hogue 1911 Government Magrip Kit. This guide provides essential safety instructions and precautions to ensure safe usage and installation of your product. Please read this guide carefully before use and keep it for future reference.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided in this guide.
- Be aware of potential hazards associated with the installation and use of the grip panels.
- Always handle the product with care to prevent accidents or injuries.
- Check for any visible damage before installation. Do not use if damaged.
- If you experience any issues or concerns, stop using the product and seek assistance.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the Hogue 1911 Government Magrip Kit is compatible with your specific 1911 model.
- **Installation:** Follow installation instructions precisely to avoid improper fitting, which may lead to safety hazards.
- **Ambidextrous Safety Cut:** The grip panels accommodate an ambidextrous safety. Ensure that the safety functions correctly after installation.
- **Torque Specifications:** Grip screws should be tightened to 12 in/lbs of torque using a correctly fitting 3/32" hex driver. Overtightening may damage the grip or firearm.
- **Age Restrictions:** This product is intended for use by adults. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a 3/32" hex driver and any other required tools.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Removal of Existing Grips:

- Carefully remove the existing grips from your 1911 by unscrewing the grip screws.
- Keep the screws in a safe place for reuse.

3. Installation of Hogue Grip Panels:

- Position the Hogue G10 grip panels onto the firearm, ensuring the ambidextrous safety cut aligns properly.
- Insert the grip screws into the predrilled holes on the grip panels.
- Using the 3/32" hex driver, tighten the screws to a torque of 12 in/lbs. Ensure they are snug but do not overtighten.

4. Final Check:

- After installation, check the grip panels for stability and ensure that all screws are secure.
- Test the ambidextrous safety to confirm it operates correctly.

5. Usage:

- Use the firearm responsibly and in accordance with local laws and regulations.
- Regularly inspect the grip panels for wear or damage, and replace if necessary.

Disposal Instructions

- Dispose of the product responsibly according to local waste disposal regulations.
- If the grip panels are damaged or no longer needed, consider recycling materials where applicable.

Contact Information for Further Support

For any questions or concerns regarding the Hogue 1911 Government Magrip Kit, please contact the manufacturer or refer to the product packaging for customer support details.

Conclusion

By following the safety guidelines and instructions outlined in this guide, you can ensure a safe and enjoyable experience with your Hogue 1911 Government Magrip Kit. Thank you for your attention to safety and responsible firearm handling.
