Safety Instruction Guide for SEMI AUTO GRIP SCREWS HOGUE HEX GRIP SCREWS

Introduction

Thank you for choosing the SEMI AUTO GRIP SCREWS HOGUE HEX GRIP SCREWS designed for Beretta and Taurus firearms. This guide provides essential safety instructions to ensure the proper use and installation of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the screws are compatible with your firearm model (Beretta or Taurus) before installation.
- Always handle screws and tools with care to avoid injury.
- Keep screws and tools out of reach of children and vulnerable individuals.
- Regularly inspect screws for wear or damage. Replace any damaged screws immediately.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the screws only for their intended purpose as specified in this guide.
- Avoid overtightening the screws, as this may damage the grip or firearm.
- Wear safety goggles while installing screws to protect your eyes from debris.
- If you experience difficulty during installation, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and safe to work on.
- Gather necessary tools, including a hex wrench suitable for the screw size.

2. Installation Steps:

- Remove the existing grip screws using the hex wrench.
- Align the new HOGUE hex grip screws with the grip holes on the firearm.
- Insert the screws into the holes and handtighten them.
- Use the hex wrench to tighten the screws securely, but do not overtighten.

3. PostInstallation Check:

- Ensure that the grip is firmly attached and does not wobble.
- Test the firearm to ensure that it operates correctly with the new screws installed.

Disposal Instructions

- Dispose of any old screws and packaging materials in accordance with local waste disposal regulations.
- Do not dispose of screws in regular household waste if they are damaged or considered hazardous.

Contact Information for Further Support

For any inquiries regarding product safety or installation assistance, please contact the manufacturer or check for updates on the EU Safety Gate platform.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
