Safety Instruction Guide for SEMI AUTO GRIP SCREWS HOGUE HEX GRIP SCREWS

Introduction

Thank you for choosing the SEMI AUTO GRIP SCREWS HOGUE HEX GRIP SCREWS, designed to maintain the factory appearance of your firearm while providing a neat and clean look. This guide outlines important safety information, installation instructions, and proper usage to ensure your safety and the performance of your product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attempting to install or replace any screws.
- Keep all tools and screws out of reach of children and vulnerable individuals.
- Inspect the screws regularly for any signs of wear or damage.
- Do not use screws that are damaged or show signs of corrosion.
- Ensure that you are using the correct screws for your specific firearm model (P226, P228, P229).
- Follow all local laws and regulations regarding firearm modifications.

Specific Safety Precautions for Use

- Use only the screws provided in the package; do not mix with other screws.
- Wear safety glasses while installing screws to protect your eyes from metal shavings.
- Ensure that the workspace is clean and free from any distractions.
- Do not overtighten screws, as this may strip the threads or damage the grip.
- If you experience difficulty during installation, consult a professional gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: a hex wrench appropriate for the hex head of the screws.
- Make sure your firearm is unloaded and placed on a stable surface.

2. Installation Steps:

- Remove the existing screws from the grip using the hex wrench.
- Carefully align the new screws with the grip holes.
- Insert the screws and handtighten them until snug.
- Use the hex wrench to tighten the screws, ensuring they are secure but not overly tight.
- Perform a final inspection to confirm that all screws are properly installed and secure.

3. Post Installation:

- Check the grip to ensure it is firmly attached to the firearm.
- Test the functionality of the firearm in a safe environment before regular use.

Disposal Instructions

- Dispose of any old or damaged screws in accordance with local waste disposal regulations.
- Do not dispose of screws in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SEMI AUTO GRIP SCREWS, please reach out to the designated EU contact point or your local authority.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the SEMI AUTO GRIP SCREWS HOGUE HEX GRIP SCREWS. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important guidelines.
