[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Lightweight & Easy To Carry

Classic-style, straight line stock with rubber skin overmolded on fiberglass shell, is warm to the touch and won't become slippery when wet. Non-slip rubber surface provides an enhanced grip, plus it is extremely quiet. Pebble finish, textured panels along the wrist and forend provide additional grasping surface. Fully inletted for a drop-in fit. Pillar model features molded in, aluminum bedding posts at front and rear action mounting points. Full Block model has an accuracy improving, CNC machined, full-length aluminum bedding block that extends from the action to the forend. All models feature rubber recoil pads.

Safety Instruction Guide for RUGER M77 MARK II LA STOCK SPORTER HOGUE

Introduction

Thank you for choosing the RUGER M77 MARK II LA STOCK SPORTER HOGUE. This safety instruction guide provides essential information to ensure the safe use and handling of your rifle stock. Please read this guide carefully to understand the safety precautions and proper usage instructions.

General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Store the rifle in a secure place, away from children and unauthorized users.
- Use the rifle only for its intended purpose and follow all local laws and regulations.
- Regularly inspect the rifle stock for any signs of damage or wear.
- Ensure that you are familiar with the operation of the rifle and its components before use.
- Keep the rifle stock clean and wellmaintained to ensure optimal performance and safety.
- Do not modify the rifle stock or any components without consulting a qualified gunsmith.

Specific Safety Precautions for Use

- **Rubber Surface:** The rubber skin overmolded on the fiberglass shell provides a nonslip grip. However, avoid using the rifle stock in extremely wet conditions to maintain grip quality.
- **Pillar Model:** Ensure that the aluminum bedding posts are securely installed at the front and rear action mounting points to prevent any movement during use.
- **Full Block Model:** If using the fulllength aluminum bedding block, verify that it is properly positioned to enhance accuracy and stability.
- **Weight Consideration:** The stock weighs 1.9 lb. (862 g). Be mindful of the weight when handling and transporting the rifle.
- **Length of Pull (L.O.P.):** The stock has a length of pull of 14" (35.5 cm). Ensure that this measurement is suitable for your shooting stance and comfort.

Instructions for Installation and Usage

1. Installation:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Position the RUGER M77 MARK II LA STOCK onto the rifle action.
- Secure the action to the stock using the provided screws and ensure that the aluminum bedding posts are properly seated.
- Check that the stock fits snugly without any gaps or movement.

2. Usage:

- Before each use, inspect the rifle stock for any signs of damage or wear.
- Ensure that all screws and fittings are tight and secure.
- Familiarize yourself with the rifle's operation and safety features.
- Practice safe shooting habits, including proper stance, aiming, and trigger control.
- After use, clean the rifle stock according to the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- When disposing of the stock, follow local regulations for the disposal of firearms and related components.
- If the stock is damaged beyond repair, consider recycling materials where possible.
- Ensure that the stock is rendered unusable before disposal to prevent misuse.

Contact Information for Further Support
