

AR-15 OVERMOLDED™ FOREND - HOGUE RIFLE FOREND, OVERMOLDED

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Comfortable, Non-Slip Grip Surface

Machined aluminum free-float forends provides an exceptionally positive, non-slip gripping surface for the support hand to help ensure maximum weapon control. Easy-to-install, two-piece free-float design eliminates handguard stress on the barrel that can compromise accuracy. Use with rifle's factory gas tube; if changing barrel length, purchase replacement gas tube of appropriate length. Rifle- and carbine-length models available in cobblestone-texture Overmolded™ rubber grasping surface.

Safety Instruction Guide for AR15 OVERMOLDED™ FOREND

Introduction

Thank you for choosing the AR15 OVERMOLDED™ FOREND by HOGUE. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that all safety precautions are observed during installation and use.
- The product is designed for use with AR15/M16 rifles and clones. Ensure compatibility before use.
- Always handle firearms with care and follow all local laws and regulations regarding firearm usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the forend for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's specified barrel length and gas tube recommendations.
- Ensure that the forend is properly installed before using the firearm.
- Avoid using the forend in wet or slippery conditions to prevent loss of grip.
- Do not modify the forend in any way that could compromise its integrity or functionality.
- Use protective eyewear and appropriate gear when handling firearms.

Instructions for Installation and Usage

Installation Instructions

1. **Ensure Safety:** Before beginning installation, ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Handguard:** Carefully remove the existing handguard from the rifle.
3. **Install Gas Tube:** If changing barrel length, install the appropriate replacement gas tube. Ensure it is securely in place.
4. **Attach Forend:** Align the AR15 OVERMOLDED™ FOREND with the rifle's receiver and slide it into place.
5. **Secure Forend:** Tighten any necessary screws or fasteners to secure the forend firmly onto the rifle.
6. **Check for Stability:** Ensure the forend is stable and does not move when pulled or pushed.

Usage Instructions

- Grip the forend firmly with your support hand while aiming and firing.
- Maintain a proper shooting stance to ensure maximum control and accuracy.
- Regularly clean and maintain the forend to ensure optimal performance.

Disposal Instructions

- Dispose of the forend in accordance with local regulations.
- If the forend is damaged or no longer functional, consider recycling materials where possible.
- Do not dispose of the forend in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please consult the manufacturer's customer support resources. Ensure to have your product details on hand for efficient assistance.
