

MONOGRIPS - HOGUE RUBBER GRIP FITS S&W J ROUND

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Finger-Grooved, Palmswell Design For A Solid, Hand-Filling Grip

One-piece construction keeps the grip rock-solid on the frame - no shift or wobble to destroy concentration and accuracy. Ergonomic design positions right- or left-hand exactly, shot after shot; plus helps absorb recoil. Nylon and rubber grips feature a stippled surface that stops hand slip without causing clothing wear when carried in a holster. Rubber, Round-To-Square grips give the appearance and feel of a comfortable, hand-filing square grip on factory, round-grip frames.

Attributes

- Name: [HOGUE RUBBER GRIP FITS S&W J ROUND](#)

MONOGRIPS HOGUE RUBBER GRIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MONOGRIPS HOGUE RUBBER GRIP designed for Smith & Wesson J Frame. This safety instruction guide provides essential information to ensure safe usage, proper installation, and maintenance of your grip. Adhering to these guidelines will help you maximize the performance of your product while minimizing risks.

General Safety Guidelines

- Ensure that the grip is compatible with your specific firearm model before installation.
- Always handle your firearm safely and responsibly, following all applicable laws and regulations.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage.
- In case of any accidents or unsafe conditions, report them to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Impact:** Do not subject the grip to extreme impacts or stresses that could compromise its integrity.
- **Check Fit:** Ensure that the grip is securely attached to the firearm to prevent any shifting or wobbling during use.
- **Recoil Management:** While the grip is designed to absorb recoil, always practice safe shooting techniques to maintain control of your firearm.
- **Clothing Considerations:** When carrying your firearm, ensure that the grip does not cause excessive wear on your clothing.
- **Environmental Awareness:** Avoid exposing the grip to harsh chemicals or extreme temperatures that could degrade its material.

Instructions for Installation and Usage

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction before beginning installation.
2. **Remove Old Grip:** If applicable, carefully remove the existing grip from your firearm using the appropriate tools.
3. **Align the Grip:** Position the MONOGRIPS HOGUE RUBBER GRIP onto the firearm's frame, ensuring proper alignment with the mounting points.
4. **Secure the Grip:** Use the provided screws or fasteners to securely attach the grip to the frame, ensuring it is tight but not overtightened.
5. **Check Stability:** After installation, check the grip for any movement or instability. If it shifts, recheck the installation process.
6. **Test the Grip:** Before using your firearm, hold it to ensure that the grip feels secure and comfortable in your hand.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the grip becomes damaged beyond repair, dispose of it in accordance with local waste disposal regulations. Avoid discarding it in a manner that could pose a hazard to the environment or others.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MONOGRIPS HOGUE RUBBER GRIP, please contact the manufacturer or an authorized distributor. Ensure you have your product details ready for assistance.

By following these guidelines, you can ensure the safe and effective use of your MONOGRIPS HOGUE RUBBER GRIP. Thank you for prioritizing safety and responsible firearm handling.
