

MONOGRIPS - HOGUE RUBBER GRIP FITS TAURUS MEDIUM AND LARGE FRAME, SQUARE BUTT

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Finger-Grooved, Palmwell Design For A Solid, Hand-Filling Grip

One-piece construction keeps the grip rock-solid on the frame - no shift or wobble to destroy concentration and accuracy. Ergonomic design positions right- or left-hand exactly, shot after shot; plus helps absorb recoil. Nylon and rubber grips feature a stippled surface that stops hand slip without causing clothing wear when carried in a holster. Rubber, Round-To-Square grips give the appearance and feel of a comfortable, hand-filing square grip on factory, round-grip frames.

Attributes

- Name: [HOGUE RUBBER GRIP FITS TAURUS MEDIUM AND LARGE FRAME, SQUARE BUTT](#)

MONOGRIPS HOGUE RUBBER GRIP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MONOGRIPS HOGUE RUBBER GRIP designed for Taurus medium and large frame, square butt firearms. This safety instruction guide is intended to provide you with essential information regarding the safe use, installation, and maintenance of your new grip. Please read this guide carefully to ensure a safe and enjoyable experience.

General Safety Guidelines

- Ensure the grip is compatible with your specific firearm model.
- Always handle firearms with care, following all safety protocols and regulations.
- Keep the firearm unloaded when installing or adjusting the grip.
- Regularly inspect the grip for wear or damage before use.
- Store your firearm and grip in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the grip for its intended purpose on compatible Taurus firearms.
- Make sure your hands are clean and dry before handling the grip to prevent slippage.
- Be aware of the grip's stippled surface, which is designed to enhance grip but may cause abrasion on soft materials.
- Avoid using the grip in extreme conditions (e.g., very high or low temperatures) that may affect its performance.
- Ensure that the grip is securely attached to the firearm before use to prevent any accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools for grip installation (if required).

2. Installation:

- Remove the existing grip from the firearm by unscrewing or detaching it according to the manufacturer's instructions.
- Align the MONOGRIPS HOGUE RUBBER GRIP with the frame of the firearm.
- Securely attach the grip, ensuring that it fits snugly without any gaps.
- Tighten screws or fasteners as needed, but do not overtighten to avoid damaging the grip or firearm.

3. Usage:

- Hold the firearm with the installed grip, ensuring a comfortable and secure hold.
- Practice shooting at a safe range to become familiar with the grip's feel and performance.
- Regularly check the grip for any signs of wear or looseness during use.

Disposal Instructions

- Dispose of the grip in accordance with local regulations for rubber and plastic products.
- Do not dispose of the grip in fire, as it may release harmful fumes.
- Consider recycling the grip if possible, or contact local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the MONOGRIPS HOGUE RUBBER GRIP, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the safe and effective use of your MONOGRIPS HOGUE RUBBER GRIP. Thank you for prioritizing safety and responsible firearm handling.
