

RUGER® MK II™ TARGET GRIPS - HOGUE 82060 RUBBER GRIPS

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Comfortable, Hand Filling Soft Rubber

Rubber grips improve comfort and recoil control for better accuracy. Soft rubber bonded to synthetic insert offers superior grip that is not spongy or tacky. Distinctive "Cobblestone" surface texture and wrap around finger grooves provide a positive, hand filling grip. Two styles, 82060 with right-hand thumbrest or 82000 without thumbrest.

RUGER® MK II™ TARGET GRIPS HOGUE 82060 RUBBER GRIPS Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® MK II™ TARGET GRIPS HOGUE 82060 RUBBER GRIPS. These rubber grips are designed to enhance comfort and improve recoil control for better accuracy when handling your firearm. This safety instruction guide provides essential information to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded when installing or adjusting grips.
- Use the grips only on compatible Ruger Mk II pistols.
- Keep grips out of reach of children and vulnerable individuals.
- Regularly inspect the grips for signs of wear or damage.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that your hands are clean and dry before gripping the firearm to maintain optimal grip performance.
- Avoid using the grips in wet or slippery conditions, as this may affect control.
- Do not modify or alter the grips in any way, as this may compromise their safety and effectiveness.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.
- If you experience any discomfort or issues while using the grips, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from the Ruger Mk II pistol using the appropriate tools.
- Align the new HOGUE rubber grips with the grip frame of the pistol.
- Securely attach the grips using the provided screws, ensuring they are tightened adequately but not overtightened.

2. Usage:

- Hold the firearm with both hands, ensuring your fingers are positioned in the finger grooves of the grips for optimal control.
- Practice proper shooting stance and technique to maximize the benefits of the grips.
- Regularly check the grip's fit and stability during use, especially after extended shooting sessions.

Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local regulations.
- If the grips are no longer usable, consider recycling options for rubber materials where available.
- Do not dispose of grips in regular household waste if they are still in usable condition; consider donating them to local shooting clubs or organizations.

Contact Information for Further Support

For any inquiries regarding the safety or use of the RUGER® MK II™ TARGET GRIPS HOGUE 82060 RUBBER GRIPS, please consult the manufacturer or your local firearms dealer. They can provide additional support and information regarding safety standards and compliance.

Thank you for prioritizing safety while using your RUGER® MK II™ TARGET GRIPS HOGUE 82060 RUBBER GRIPS. Enjoy enhanced comfort and control while ensuring responsible firearm handling.
