

RUGER® MK II™ TARGET GRIPS - HOGUE 82000 RUBBER GRIPS

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Comfortable, Hand Filling Soft Rubber

Rubber grips improve comfort and recoil control for better accuracy. Soft rubber bonded to synthetic insert offers superior grip that is not spongy or tacky. Distinctive "Cobblestone" surface texture and wrap around finger grooves provide a positive, hand filling grip. Two styles, 82060 with right-hand thumbrest or 82000 without thumbrest.

RUGER® MK II™ TARGET GRIPS HOGUE 82000 RUBBER GRIPS Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® MK II™ TARGET GRIPS HOGUE 82000 RUBBER GRIPS. These rubber grips are designed to enhance comfort, improve recoil control, and provide better accuracy while using your firearm. This safety instruction guide is provided to ensure the safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the grips are installed correctly before use.
- Inspect the grips regularly for any signs of wear or damage.
- Keep the grips and the firearm out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to loss of grip and control.
 - Wear and tear can affect performance and safety.
- **Instructions to Avoid Hazards:**
 - Ensure the firearm is unloaded before installing or adjusting the grips.
 - Follow the installation instructions carefully to ensure a secure fit.
 - Do not use the grips if they show signs of damage or excessive wear.
 - Avoid using any chemicals or solvents that may degrade the rubber material.
- **AgeSpecific Warnings:**
 - This product is intended for adult users only. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation Steps:**
 1. Ensure the firearm is completely unloaded.
 2. Remove any existing grips from the firearm.
 3. Align the HOGUE 82000 rubber grips with the mounting holes on the firearm.
 4. Secure the grips using the provided screws, ensuring they are tightened but not overtightened to avoid damaging the grips.
 5. Check the fit and ensure there is no movement or looseness.
- **Usage Tips:**
 - Hold the firearm firmly to benefit from the enhanced grip.
 - Practice safe handling and shooting techniques while using the firearm.
 - Regularly check the grips for signs of wear and replace them if necessary.

Disposal Instructions

- Dispose of the grips in accordance with local regulations regarding rubber and synthetic materials.
- Do not dispose of the grips in regular household waste if they are damaged or worn out.
- Consider recycling options if available in your area.
