

SEMI-AUTO PISTOL GRIPS - HOGUE RU/SL FITS 1911 AUTO

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Hand-Filling, Versatile Designs In Rubber & Wood

Hand-filling grips help absorb recoil by spreading the shock over a wider area of the hand. Finger groove models for semi-autos tighten the grip upward, into the triggerguard for better recoil control. All wood grips are cut from imported, select grades of hardwood. Molded rubber grips cushion recoil. Non-slip, pebble finish. 1911 Auto checkered grips are Double Diamond pattern.

Attributes

- Name: [HOGUE RU/SL FITS 1911 AUTO](#)

SEMIAUTO PISTOL GRIPS HOGUE RU/SL FITS 1911 AUTO Safety Instruction Guide

Introduction

Thank you for choosing the SEMIAUTO PISTOL GRIPS HOGUE RU/SL FITS 1911 AUTO. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your new pistol grips. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the grips are installed properly to avoid any accidents.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the grips and firearm out of the reach of children and unauthorized users.
- Regularly check the grips for signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Risk of Recoil:** The grips are designed to absorb recoil but may still result in movement. Maintain a firm grip while shooting.
- **Finger Placement:** Ensure fingers are placed correctly in the finger grooves to prevent slipping and enhance control.
- **Ambidextrous Safety:** Verify that the ambidextrous safety cut is functioning properly for lefthanded and righthanded users.
- **Material Sensitivity:** Individuals with allergies to rubber or wood should use caution when handling these grips.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing grips from the firearm using the appropriate tools.
- Align the new HOGUE grips with the mounting holes on the firearm.
- Secure the grips firmly with screws, ensuring they are tight but not overtightened to avoid cracking.

2. Usage:

- Hold the firearm with both hands, ensuring a firm grip on the HOGUE grips.
- Place your fingers in the designated grooves for optimal control.
- Always maintain awareness of your surroundings while handling and using the firearm.

Disposal Instructions

- Dispose of the grips responsibly according to local regulations.
- If the grips are damaged beyond use, consider recycling materials if applicable.
- Do not dispose of grips in regular household waste if they contain materials that require special handling.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the SEMIAUTO PISTOL GRIPS HOGUE RU/SL FITS 1911 AUTO, please contact the manufacturer or your local authorized dealer.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your new pistol grips. Thank you for your attention to these important guidelines.
