

# SEMI-AUTO PISTOL GRIPS - HOGUE RU/FG FITS CZ/EA-9/P9 TANG.

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

## Hand-Filling, Versatile Designs In Rubber & Wood

Hand-filling grips help absorb recoil by spreading the shock over a wider area of the hand. Finger groove models for semi-autos tighten the grip upward, into the triggerguard for better recoil control. All wood grips are cut from imported, select grades of hardwood. Molded rubber grips cushion recoil. Non-slip, pebble finish. 1911 Auto checkered grips are Double Diamond pattern.

## Attributes

- Name: [HOGUE RU/FG FITS CZ/EA-9/P9 TANG.](#)
- Manufacturer: [HOGUE](#)
- Product no.: 408602109

# Safety Instruction Guide for SEMIAUTO PISTOL GRIPS HOGUE RU/FG FITS CZ/EA9/P9 TANG

## Introduction

Thank you for choosing the SEMIAUTO PISTOL GRIPS HOGUE RU/FG FITS CZ/EA9/P9 TANG. This safety instruction guide provides essential information to ensure the safe use and handling of your new grips. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the grips are compatible with your firearm model (Springfield, CZ, Model: 75, 85, P9).
- Always follow the manufacturer's instructions for installation and usage.
- Inspect the grips regularly for any signs of wear or damage.
- Store the grips in a safe and dry location, away from children and unauthorized users.
- Be aware of local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- **Recoil Management:** The handfilling design of the grips is intended to absorb recoil. Ensure a proper grip to maximize control and minimize the risk of accidents.
- **Finger Grooves:** The finger groove models are designed to enhance grip stability. Ensure your fingers fit comfortably in the grooves to avoid slippage during use.
- **Material Consideration:** The grips are made from selected hardwood or molded rubber. Be cautious of temperature changes that may affect grip performance.
- **NonSlip Surface:** The pebble finish provides a nonslip surface. However, avoid using the grips in wet conditions to prevent loss of grip.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and safe before beginning the installation process.
- Remove the existing grips from your firearm, following the manufacturer's instructions.
- Align the new HOGUE grips with the grip frame of your firearm.
- Secure the grips using the provided screws, ensuring they are tightened adequately but not overtightened to avoid damage.

### 2. Usage:

- Always hold the firearm with both hands for maximum control.
- Use the finger grooves to maintain a firm grip during operation.
- Practice shooting with the new grips in a safe and controlled environment to become accustomed to the feel and recoil absorption.

## Disposal Instructions

- Dispose of any damaged or worn grips in accordance with local regulations.
- If the grips are made of rubber or wood, check for recycling options in your area to minimize environmental impact.
- Do not dispose of grips in regular household waste if they contain hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage, please refer to the manufacturer's website or customer service for assistance. It is important to have access to reliable support for your product.

## **Conclusion**

Following these safety instructions will help ensure your safety and the effective use of your SEMIAUTO PISTOL GRIPS HOGUE RU/FG FITS CZ/EA9/P9 TANG. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these important guidelines.
