

SEMI-AUTO PISTOL GRIPS - HOGUE RU/FG FITS 1911 AUTO

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Hand-Filling, Versatile Designs In Rubber & Wood

Hand-filling grips help absorb recoil by spreading the shock over a wider area of the hand. Finger groove models for semi-autos tighten the grip upward, into the triggerguard for better recoil control. All wood grips are cut from imported, select grades of hardwood. Molded rubber grips cushion recoil. Non-slip, pebble finish. 1911 Auto checkered grips are Double Diamond pattern.

Safety Instruction Guide for SEMIAUTO PISTOL GRIPS HOGUE RU/FG FITS 1911 AUTO

Introduction

Thank you for choosing the SEMIAUTO PISTOL GRIPS HOGUE RU/FG FITS 1911 AUTO. These grips are designed to enhance your shooting experience by providing comfort and improved control. This safety instruction guide is intended to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the grips are compatible with your specific model of the 1911 Auto before installation.
- Always handle your firearm with care and follow all safety protocols associated with firearm use.
- Keep grips out of reach of children and unauthorized users.
- Regularly inspect the grips for signs of wear or damage; replace if necessary to maintain safety.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the grips only for their intended purpose: to enhance the handling of your 1911 Auto pistol.
- Avoid using the grips if they show signs of damage or wear.
- Ensure that your hands are dry and clean when using the firearm to maintain a secure grip.
- Do not modify the grips in any way; alterations may compromise safety.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that your firearm is unloaded and pointed in a safe direction.
2. **Removal of Old Grips:** Carefully remove any existing grips from the firearm using a suitable tool.
3. **Fitting the New Grips:**
 - Align the new Hogue grips with the grip frame of the 1911 Auto.
 - Securely attach the grips using the provided screws, ensuring they are tightened evenly.
4. **Final Check:** Verify that the grips are securely installed and do not interfere with the operation of the firearm.

Usage

- Always maintain a firm grip on the firearm while shooting.
- Practice proper shooting techniques to maximize the benefits of the grips.
- Regularly clean the grips with a soft cloth to maintain their condition and performance.

Disposal Instructions

- Dispose of the grips in accordance with local regulations.
- If the grips are damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the grips in regular household waste if they contain hazardous materials.

Contact Information for Further Support

For any inquiries or further information regarding the SEMIAUTO PISTOL GRIPS HOGUE RU/FG FITS 1911 AUTO,

please refer to the manufacturer's website or customer service.
