

SINGLE ACTION GRIPS - HOGUE RUGER BISLEY GRIP, CO

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Dress Up Your Colt or Ruger Six Gun With Exotic Grips

Add a little romance to your favorite single action with high quality grips cut from exotic materials. Precision machined from the finest hard woods and synthetics to look better and wear longer than the originals. Because of variations in grip frames, grip panels will require minor fitting.

Safety Instruction Guide for Hogue Ruger Bisley Grip

Introduction

Thank you for choosing the Hogue Ruger Bisley Grip. This guide provides essential safety information and instructions to ensure safe use and maintenance of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the grip is compatible with your Ruger model (New Model Blackhawk, New Model Single Six, or old large frame Vaquero).
- Always handle firearms safely and responsibly. Follow all applicable laws and regulations regarding firearm use.
- Keep the grip and firearm out of reach of children and unauthorized users.
- Regularly inspect the grip for any signs of wear or damage.
- In case of any issues, do not attempt to repair the grip yourself; seek professional assistance.

Specific Safety Precautions for Use

- Avoid using the grip if it shows any signs of damage or improper fitting.
- Ensure that the grip is securely attached before using the firearm.
- Be aware of the grip's materials; some users may have allergies to specific woods or synthetics.
- Do not expose the grip to extreme temperatures or moisture, as this may affect its integrity and performance.
- If you experience any discomfort while using the grip, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools for installation, including a screwdriver and any fitting tools required.
- Ensure your firearm is unloaded and pointed in a safe direction during installation.

2. Installation Steps:

- Remove the existing grip from your Ruger firearm by unscrewing the grip screws.
- Align the new Hogue Ruger Bisley Grip with the grip frame.
- Secure the grip in place by tightening the grip screws. Ensure it is firmly attached but do not overtighten, as this may damage the grip.

3. Usage:

- Once installed, check the grip for proper fit and comfort.
- Practice safe handling of your firearm at all times, ensuring that the grip enhances your control and comfort.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the grip becomes damaged beyond repair, dispose of it responsibly. Check for local recycling options.

for wood and synthetic materials.

Contact Information for Further Support

For any inquiries regarding safety or installation, please refer to your local Hogue dealer or authorized retailer. They can provide additional support and information as needed.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Hogue Ruger Bisley Grip. Always prioritize safety and responsibility when handling firearms. Thank you for your attention and enjoy your new grip!
