

# 1A2-L BIPOD SLING SWIVEL MOUNT - HARRIS 1A2-L BIPOD SLING SWIVEL MOUNT 9-13" BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Mounts to QD swivel studs on bolt action and single-shot rifles for ultimate field accuracy. Won't change zero; added weight steadies gun. Spring-loaded, telescoping legs adjust quickly, fold parallel to barrel for carrying. Series 1A2 bipods have solid base and do not swivel or rotate. Series S bipods rotate 45° for instant leveling on uneven ground. Buffer springs and adjustable tension on hinged base help eliminate tremor. All Models available in either Series. All Adapters fit either Series bipods. Not recommended for lever actions.

# Safety Instruction Guide for 1A2L BIPOD SLING SWIVEL MOUNT

## Introduction

Thank you for choosing the 1A2L BIPOD SLING SWIVEL MOUNT. This product is designed to enhance the accuracy and stability of your bolt action and singleshoot rifles. Please read this safety instruction guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the bipod is compatible with your firearm before installation.
- Always follow the manufacturer's instructions for use and maintenance.
- Keep the bipod and its components out of reach of children.
- Regularly inspect the bipod for any signs of damage or wear.
- Use the bipod only for its intended purpose as specified by the manufacturer.
- In case of any malfunction or unusual performance, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

- Do not use the bipod with lever action rifles, as it is not recommended for this type of firearm.
- Ensure that the bipod is securely mounted to the QD swivel studs before use.
- Avoid placing excessive weight or force on the bipod while in use to prevent tipping or instability.
- Be mindful of your surroundings and ensure a safe shooting environment at all times.
- Always follow local laws and regulations regarding firearm usage and safety.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the QD swivel studs on your rifle.
- Align the bipod's attachment point with the QD swivel stud.
- Securely mount the bipod by following the manufacturer's instructions for your specific model.
- Check the stability of the bipod after installation to ensure it is firmly attached.

### 2. Adjustment and Usage

- Extend the telescoping legs to the desired height (9 to 13 inches) for your shooting position.
- Use the springloaded mechanism to adjust the legs quickly.
- Ensure that the bipod is level by checking that both legs are at the same height.
- When not in use, fold the legs parallel to the barrel for easy carrying.

### 3. PostUse Care

- After each use, inspect the bipod for any signs of damage or wear.
- Clean the bipod with a soft cloth to remove dirt and debris.
- Store the bipod in a dry place, away from direct sunlight and extreme temperatures.

## Disposal Instructions

- Dispose of the bipod and its components in accordance with local regulations.
- Do not dispose of the bipod in household waste if it contains any hazardous materials.

- Consider recycling materials whenever possible.

## **Contact Information for Further Support**

For any safety inquiries or to report unsafe products, please contact your local EU consumer safety authority. Regularly check for recall updates on the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the 1A2L BIPOD SLING SWIVEL MOUNT. Stay safe!
