

# S-LM BIPOD SLING SWIVEL MOUNT - HARRIS S-LM BIPOD SLING SWIVEL MOUNT 9-13" BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Mounts to QD swivel studs on bolt action and single-shot rifles for ultimate field accuracy. Won't change zero; added weight steadies gun. Spring-loaded, telescoping legs adjust quickly, fold parallel to barrel for carrying. Series 1A2 bipods have solid base and do not swivel or rotate. Series S bipods rotate 45° for instant leveling on uneven ground. Buffer springs and adjustable tension on hinged base help eliminate tremor. All Models available in either Series. All Adapters fit either Series bipods. Not recommended for lever actions.

## Attributes

- Name: [HARRIS S-LM BIPOD SLING SWIVEL MOUNT 9-13" BLACK](#)

# SLM Bipod Sling Swivel Mount Safety Instructions

## Introduction

Thank you for choosing the SLM Bipod Sling Swivel Mount by Harris. This product is designed to enhance your shooting experience by providing stability and accuracy for your bolt action and singleshoot rifles. To ensure your safety and the proper use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always ensure that the bipod is securely mounted to the QD swivel studs before use.
- Regularly inspect the bipod for any signs of wear or damage. Do not use if damaged.
- Ensure that the bipod is adjusted to the correct height for your shooting position.
- Keep the bipod away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm usage and safety.

## Specific Safety Precautions for Use

- Do not use the bipod on lever action rifles as it is not recommended for this type of firearm.
- Avoid placing excessive weight on the bipod that exceeds its designed capacity.
- Be aware of your surroundings and ensure a clear shooting area before taking aim.
- When adjusting the legs, make sure they are fully extended and locked in place before shooting.
- Use caution when folding the bipod legs to prevent pinching fingers or causing injury.

## Instructions for Installation and Usage

### 1. Installation

- Locate the QD swivel studs on your rifle.
- Align the bipod mount with the swivel studs and secure it firmly.
- Ensure that the bipod is stable and does not wobble.

### 2. Height Adjustment

- To adjust the height, pull the springloaded legs down to the desired height (9 to 13 inches).
- Ensure that the legs are locked in place before use.

### 3. Folding for Carrying

- To fold the bipod, pull the legs upwards until they are parallel to the barrel.
- Ensure the legs are securely folded to prevent accidental deployment during transport.

### 4. Usage

- Position the bipod on a stable surface for maximum stability.
- Adjust the legs as necessary for uneven ground using the Series S bipods that rotate 45° for leveling.
- Take care to maintain a proper shooting stance and grip while using the bipod.

## Disposal Instructions

- When the bipod has reached the end of its life cycle, dispose of it in accordance with local regulations.
- Do not dispose of the bipod in regular household waste.
- Consider recycling the aluminum and steel components where facilities are available.

## **Contact Information for Further Support**

For any questions or concerns regarding safety or product performance, please contact the manufacturer directly through the provided channels. Ensure that you have your product details ready for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SLM Bipod Sling Swivel Mount. Thank you for your attention to safety.
