

# 1A2-BRM BIPOD SLING SWIVEL MOUNT - HARRIS 1A2-BRM BIPOD SLING SWIVEL MOUNT 6-9" BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Mounts to QD swivel studs on bolt action and single-shot rifles for ultimate field accuracy. Won't change zero; added weight steadies gun. Spring-loaded, telescoping legs adjust quickly, fold parallel to barrel for carrying. Series 1A2 bipods have solid base and do not swivel or rotate. Series S bipods rotate 45° for instant leveling on uneven ground. Buffer springs and adjustable tension on hinged base help eliminate tremor. All Models available in either Series. All Adapters fit either Series bipods. Not recommended for lever actions.

## Attributes

# Safety Instruction Guide for 1A2BRM Bipod Sling Swivel Mount

## Introduction

Thank you for choosing the 1A2BRM Bipod Sling Swivel Mount. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the bipod is compatible with your firearm before installation.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the bipod for wear and tear before each use.
- Report any unsafe conditions or incidents to the authorities.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the weight limit of the bipod. Excess weight may cause instability and increase the risk of accidents.
- **Proper Handling:** Always handle the bipod with care. Avoid dropping or striking it against hard surfaces.
- **Check Stability:** Ensure the bipod is securely mounted before use. A loose bipod can lead to misalignment and potential accidents.
- **Use on Stable Ground:** Avoid using the bipod on uneven or unstable surfaces to prevent tipping.
- **Keep Away from Heat Sources:** Do not expose the bipod to extreme temperatures or direct heat, which may compromise its structural integrity.

## Instructions for Installation and Usage

### 1. Mounting the Bipod:

- Identify the QD swivel stud on your firearm.
- Align the bipod's attachment point with the swivel stud.
- Firmly attach the bipod to the stud until secure.

### 2. Adjusting the Height:

- To adjust the height, locate the height adjusting notches on the bipod.
- Pull the legs down to the desired height between 6 to 9 inches.
- Ensure the legs are locked in place before use.

### 3. Folding the Bipod:

- To fold the bipod for transport, pull the legs upward until they are parallel to the barrel.
- Ensure that the legs are securely folded to avoid accidental deployment.

### 4. Using the Bipod:

- Set the bipod on a stable surface when in use.
- Adjust the legs as necessary to achieve a level shooting position.
- Always check that the bipod is stable before taking aim.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations for electronic and metal waste.
- Do not dispose of the bipod in regular household waste.
- Consider recycling components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your 1A2BRM Bipod Sling Swivel Mount. Thank you for your attention to safety.
