

S-25C BIPOD SLING SWIVEL MOUNT - HARRIS S-25C BIPOD SLING SWIVEL MOUNT 13-27" BLACK

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

Mounts to QD swivel studs on bolt action and single-shot rifles for ultimate field accuracy. Won't change zero; added weight steadies gun. Spring-loaded, telescoping legs adjust quickly, fold parallel to barrel for carrying. Series 1A2 bipods have solid base and do not swivel or rotate. Series S bipods rotate 45° for instant leveling on uneven ground. Buffer springs and adjustable tension on hinged base help eliminate tremor. All Models available in either Series. All Adapters fit either Series bipods. Not recommended for lever actions.

Safety Instruction Guide for S25C BIPOD SLING SWIVEL MOUNT

Introduction

Thank you for purchasing the S25C Bipod Sling Swivel Mount. This guide provides important safety information and instructions to help you use this product safely and effectively. Please read this guide carefully before using the bipod to ensure your safety and the safety of others.

General Safety Guidelines

- Always ensure that the bipod is securely mounted to your firearm before use.
- Inspect the bipod regularly for signs of wear or damage.
- Do not exceed the recommended height adjustments as specified in the product specifications.
- Keep the bipod out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearm safety and usage.
- If you experience any issues with the bipod, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- **Mounting Safety:** Ensure that the bipod is properly attached to the QD swivel studs. A loose connection can result in loss of control.
- **Height Adjustment:** Adjust the bipod legs carefully. Do not force them beyond the specified height range of 13 to 27 inches.
- **Leveling on Uneven Ground:** When using the Series S bipods, ensure that you level the bipod properly to maintain stability.
- **Handling:** Always handle the firearm with care when the bipod is attached. The added weight may alter the balance.
- **Environmental Considerations:** Avoid using the bipod in extreme weather conditions that may affect its performance or your safety.

Instructions for Installation and Usage

Installation

1. **Check Components:** Ensure all parts of the bipod are included and undamaged.
2. **Locate QD Swivel Studs:** Identify the QD swivel studs on your firearm.
3. **Attach Bipod:** Align the bipod mount with the QD swivel studs and securely attach it.
4. **Verify Stability:** Once attached, check that the bipod is stable and does not wobble.

Usage

1. **Adjusting Height:**
 - Pull the springloaded legs down to extend to your desired height.
 - Ensure legs are locked in place before use.
2. **Folding for Transport:**
 - To fold, pull the legs parallel to the barrel of the firearm.
 - Ensure the legs are securely folded for safe transport.
3. **Using on Uneven Ground:**

- If using Series S bipods, rotate the bipod to level it on uneven surfaces.
- Confirm that the bipod is stable before firing.

Disposal Instructions

- Dispose of the bipod in accordance with local regulations regarding metal and plastic waste.
- If the bipod is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the bipod in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the S25C Bipod Sling Swivel Mount, please refer to the manufacturer or your point of purchase for assistance. Ensure you have your purchase details ready for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your S25C Bipod Sling Swivel Mount. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
