RUGER NO. 1™ ACCURIZER Consumer Safety Instructions

Introduction

Thank you for purchasing the RUGER NO. 1™ ACCURIZER from E. Arthur Brown Company. This product is designed to stabilize the barrel of your firearm, helping to prevent point of impact shift as the barrel heats up. Please read this safety instruction guide carefully to ensure safe use and compliance with EU safety regulations.

General Safety Guidelines

To ensure your safety and the safety of others, please observe the following general safety guidelines:

- Always handle firearms responsibly and with care.
- Ensure that the RUGER NO. 1 ACCURIZER is installed correctly to avoid potential hazards.
- Regularly inspect the product for any signs of wear or damage.
- Store the product in a secure location away from children and unauthorized users.
- Report any unsafe products or accidents to local authorities immediately.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

Before using the RUGER NO. 1 ACCURIZER, please adhere to the following specific safety precautions:

- Ensure that the firearm is unloaded before installation or adjustment.
- Use the adjustable tensioning screw only as instructed to regulate barrel movement.
- Avoid excessive force when installing or adjusting the product to prevent damage.
- Do not modify the RUGER NO. 1 ACCURIZER in any way that is not recommended by the manufacturer.
- Keep the product out of reach of children and individuals who may not understand its use.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of the RUGER NO. 1 ACCURIZER:

1. Preparation:

- Gather all necessary tools and ensure you have a clean workspace.
- Read through the instructions completely before beginning installation.

2. Installation:

- Remove any existing barrel bands or accessories from your RUGER NO. 1 firearm.
- Carefully attach the steel bedding block to the receiver extension.
- Ensure that the bedding block is aligned correctly with the barrel.
- Use the adjustable tensioning screw to regulate barrel movement, ensuring it is secure but not overly tight.
- Perform minor inletting of the forearm as required for a proper fit.

3. Usage:

- Once installed, regularly check the tensioning screw to ensure it remains secure during use.
- Monitor the firearm's performance and adjust the tension as necessary based on shooting conditions.
- Always conduct a function check of your firearm after installation to ensure it operates safely.

Disposal Instructions

When it comes time to dispose of the RUGER NO. 1 ACCURIZER, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not throw the product in regular household waste.
- If unsure, contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RUGER NO. 1 ACCURIZER, please refer to the manufacturer's website or customer service for assistance. Ensure you have your product details available for any inquiries.

Note: This safety instruction guide is intended to provide essential information for the safe use of the RUGER NO. 1 ACCURIZER. Always prioritize safety and compliance with local laws and regulations.
