

FAT STRAP, RANGER GREEN

[Home](#)

Configure your rig for stand alone wear with our Micro Fight Fat Straps. Brilliance in the Basics means that we constructed these without complicated yoke systems or unnecessary features. This reduced profile design includes horizontal webbing and elastic mounting points for hanging Push-To-Talks or weaving cables and water carrier tubes. A Velcro loop patch on the back completes the Straps for placement of name tapes or IR Markers. The FAT STRAP is a single strap. You do NOT need to order two to complete your Micro Fight Chest Rig. You only need to order ONE. NOTE: The FAT STRAP is part of the Micro Fight Chest Rig System. This item does not include the chassis, back strap, magazine inserts, or any other accessories. Some images are shown with optional accessories, sold separately.

FAT STRAP Safety Instruction Guide

Introduction

Thank you for choosing the FAT STRAP in Ranger Green by SPIRITUS SYSTEMS. This guide provides important safety information, usage instructions, and contact details for support. Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the FAT STRAP before each use to check for signs of wear or damage.
- Ensure that the strap is securely attached to your Micro Fight Chest Rig before use.
- Use the FAT STRAP only for its intended purpose as described in this guide.
- Keep the product away from children and vulnerable individuals to prevent potential hazards.
- In the event of any malfunction or damage, cease use immediately and seek guidance.

Specific Safety Precautions for Use

- The FAT STRAP is designed for adult use. It is not suitable for children.
- Avoid using the FAT STRAP in wet conditions to prevent slippage or loss of grip.
- Do not overload the FAT STRAP with excessive weight beyond its designed capacity.
- Ensure that all cables and accessories are properly secured to avoid entanglement or snagging.
- When using with PushToTalk devices, ensure they are correctly mounted to prevent accidental activation.

Instructions for Installation and Usage

1. Installation of the FAT STRAP:

- Locate the attachment points on your Micro Fight Chest Rig.
- Align the FAT STRAP with the designated points.
- Securely fasten the strap using the provided mounting points, ensuring it is tight but comfortable.

2. Using the FAT STRAP:

- Adjust the strap to fit comfortably around your body.
- Ensure that the Velcro loop patch is accessible for attaching name tapes or IR Markers.
- Test the strap by moving around to ensure it is secure and does not shift.

3. Maintenance:

- Regularly clean the FAT STRAP with a damp cloth to remove dirt or debris.
- Store the strap in a cool, dry place when not in use to prolong its lifespan.

Disposal Instructions

- Dispose of the FAT STRAP in accordance with local regulations for textile waste.
- Do not incinerate the strap, as this may release harmful substances.
- If the product is damaged beyond repair, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries or safety concerns regarding the FAT STRAP, please contact the manufacturer or your local distributor. Ensure you have the product details and any relevant information ready for a prompt response.

By following these safety instructions, you can ensure a safe and effective experience with your FAT STRAP.
Thank you for your attention to these important guidelines.
