

# SUBMACHINE GUN MAGAZINE INSERTS - SPIRITUS SYSTEMS

## SUBMACHINE GUN MAGAZINE INSERT, QUAD MP5/GLOCK

[Home](#)

WARNING: This insert is ONLY compatible with the Micro Fight MK4 and MK3 Chassis. It is not compatible with the MK2 or MK1 Chassis, nor plate carrier kangaroo pouches. Some people say that Submachine Guns are a thing of the past. Spiritus Systems say to heck with that. It doesn't matter if you are storming the Iranian Embassy in 1980 or raiding a meth lab in the Bayou today, the Spiritus Systems Submachine gun inserts have you covered. Submachine Gun Magazine Inserts enable you to carry 4 magazines in either the front or rear pocket of your Micro Fight Chest Rig, or you can carry 8 magazines by placing a Submachine Gun insert into both the front and rear pockets of your Micro Fight Chest Rig Chassis. To accommodate the largest amount of magazines, we have built two different types of SMG Magazine Inserts. It is impossible for us to test every submachine gun magazine that is on the market today. That being said, the inserts are elastic and if your magazine is similar in size to the ones listed, it will probably work. Some images are shown with optional accessories, sold separately.

# Safety Instructions for SUBMACHINE GUN MAGAZINE INSERTS

## Introduction

Thank you for choosing the Spiritus Systems Submachine Gun Magazine Inserts. These inserts are designed to enhance your Micro Fight Chest Rig experience by allowing you to carry multiple magazines securely. However, to ensure your safety and the proper functioning of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Ensure that you only use the inserts with compatible chassis, specifically the Micro Fight MK4 and MK3. They are not suitable for MK2 or MK1 chassis or plate carrier kangaroo pouches.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If you receive a recall notification, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that you buy from reputable sellers who adhere to safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the designated EU authority or your retailer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Compatibility:** Only use the magazine inserts with the Micro Fight MK4 and MK3 chassis. Using them with incompatible systems may lead to malfunction or injury.
- **Magazine Size:** Ensure that your magazines are similar in size to those specified for compatibility. Elasticity allows some flexibility, but oversized magazines may not fit securely.
- **Secure Fit:** Always check that the magazines are securely inserted into the pockets of the chest rig before use to prevent accidental drops during operation.
- **Inspect Before Use:** Regularly inspect the magazine inserts for signs of wear or damage. Do not use damaged inserts.
- **Avoid Overloading:** Do not exceed the recommended capacity of 8 magazines by placing inserts in both front and rear pockets.

## Instructions for Installation and Usage

### 1. Installation:

- Open the front and rear pockets of your Micro Fight Chest Rig.
- Insert the Submachine Gun Magazine Insert into the desired pocket (front or rear).
- Ensure that the insert fits snugly and securely in place.

### 2. Usage:

- Place up to 4 magazines in the front pocket or up to 4 in the rear pocket, ensuring they are oriented correctly for easy access.
- If using both pockets, you may carry a total of 8 magazines.
- Ensure that the magazines are fully seated in the insert to prevent them from falling out.

## Disposal Instructions

- **Proper Disposal:** When the magazine inserts reach the end of their life cycle or if they are damaged, dispose of them in accordance with local waste disposal regulations. Do not dispose of them in regular household waste if they contain hazardous materials.

## Contact Information for Further Support

For any questions or concerns regarding the Spiritus Systems Submachine Gun Magazine Inserts, please reach out to your retailer or the relevant EU authority for assistance. Always ensure you are following the latest safety guidelines and recommendations.
