SHOULDER COVER, TRIFOLD Safety Instruction Guide

Introduction

Thank you for choosing the SHOULDER COVER, TRIFOLD by SPIRITUS SYSTEMS. This product is designed to provide a simple solution for covering your LV/119 shoulder straps. While it offers some comfort for extended wear, it is important to follow safety guidelines to ensure proper use and to avoid potential hazards.

General Safety Guidelines

- Always inspect the product before use to ensure it is in good condition.
- Do not use the shoulder cover if it shows signs of damage or wear.
- Ensure that the shoulder cover is compatible with your LV/119 Plate Carrier System.
- Keep the product away from children and vulnerable individuals to prevent misuse.
- Follow all manufacturer instructions included with the product.

Specific Safety Precautions for Use

- The shoulder cover is not designed with padding; ensure that it fits properly to avoid discomfort during extended wear.
- Be cautious when routing communication wires through the shoulder cover to avoid pinching or damaging the wires.
- Do not overload the shoulder straps with excessive weight, as this may lead to discomfort or injury.
- Regularly check the fit and condition of the shoulder cover during use, especially during physical activities.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the shoulder cover from its packaging.
- Align the shoulder cover with the LV/119 shoulder straps.
- Slide the shoulder cover onto the straps, ensuring it is securely in place.
- Adjust the position as necessary for comfort and functionality.

2. Usage:

- Once installed, ensure that the shoulder cover does not obstruct any communication wires.
- Regularly check the shoulder cover's position during use, especially if engaging in physical activities.
- If the shoulder cover becomes loose, readjust it to ensure it remains secure.

Disposal Instructions

- Dispose of the shoulder cover responsibly, following local regulations for textile waste.
- If the product is damaged and cannot be reused, consider recycling options if available in your area.
