

CCS POUCH - SPIRITUS SYSTEMS CCS POUCH - COYOTE BROWN

[Home](#)

The Spiritus Systems CCS Pouch is a purpose-build companion pouch for the MkV Chassis (purchase [here](#)). It is designed to cover the entire front of the chassis give the system a large volume of general-purpose storage. The Pouch is divided into two sections, with a strip of loop Velcro on the outside of the pouch for affixing identification and other patches. The rear interior section features two tie-down loops that are easily accessible from the top of the pouch opening and will accept the full range of Spiritus Systems utility inserts, including the padded GP insert. The front pocket is angled to ensure the pouch lays flat against the body when not in use, and will hold a wide range of phones, identification, tools and other utility equipment. The pouch is constructed out of high quality 500D Cordura nylon and both pocket sections are fully enclosed and secured with double zippers to keep small items contained. The MOLLE mounting systems consumes 6 columns and will fit flush when mounted to the chassis. It will also cover the entire front surface area of the MkV placard and helps the end user maintain full color matching capabilities with the rest of their kit.

Safety Instruction Guide for CCS Pouch Spiritus Systems

Introduction

Thank you for choosing the CCS Pouch from Spiritus Systems. This guide provides essential safety information to ensure the safe use and maintenance of your pouch. Please read this document carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure the pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage before use.
- Keep the pouch away from fire and extreme heat sources.
- Store the pouch in a dry place to prevent mold and deterioration.
- Avoid overloading the pouch to maintain its structural integrity.
- Be aware of your surroundings while using the pouch, especially in crowded areas.

Specific Safety Precautions for Use

- When attaching the pouch to the MkV Chassis, ensure that it is securely fastened and does not obstruct your movement.
- Do not use the pouch if any components are damaged or missing.
- If using the pouch for carrying tools or sharp objects, ensure they are properly secured to avoid injury.
- Keep the pouch out of reach of children to prevent accidental use or injury.
- If the pouch becomes wet, dry it thoroughly before storing to prevent mold.

Instructions for Installation and Usage

Installation

1. **Prepare the MkV Chassis:** Ensure the chassis is clean and free from debris.
2. **Align the Pouch:** Position the CCS Pouch over the desired mounting area on the chassis.
3. **Secure the Pouch:** Use the MOLLE mounting system to attach the pouch securely. Ensure it is flush against the chassis.
4. **Check Stability:** Gently tug on the pouch to confirm it is securely attached.

Usage

1. **Accessing the Pouch:** Open the double zippers to access the interior compartments.
2. **Organizing Contents:** Use the tiedown loops to secure larger items and the angled front pocket for easy access to smaller items like phones and tools.
3. **Maintaining the Pouch:** Regularly check the zippers and fabric for wear and tear. Clean with a damp cloth as needed.

Disposal Instructions

- When the pouch reaches the end of its lifespan, dispose of it in accordance with local regulations.
- If the pouch is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the pouch in a manner that could harm the environment.

Contact Information for Further Support

For safety inquiries or additional support, please consult the manufacturer's website or customer service resources.

By following these guidelines, you can ensure the safe and effective use of your CCS Pouch by Spiritus Systems. Thank you for prioritizing safety in your outdoor and tactical activities.
