

CCS POUCH - SPIRITUS SYSTEMS CCS POUCH - RANGER GREEN

[Home](#)

The Spiritus Systems CCS Pouch is a purpose-build companion pouch for the MkV Chassis (purchase [here](#)). It is designed to cover the entire front of the chassis give the system a large volume of general-purpose storage. The Pouch is divided into two sections, with a strip of loop Velcro on the outside of the pouch for affixing identification and other patches. The rear interior section features two tie-down loops that are easily accessible from the top of the pouch opening and will accept the full range of Spiritus Systems utility inserts, including the padded GP insert. The front pocket is angled to ensure the pouch lays flat against the body when not in use, and will hold a wide range of phones, identification, tools and other utility equipment. The pouch is constructed out of high quality 500D Cordura nylon and both pocket sections are fully enclosed and secured with double zippers to keep small items contained. The MOLLE mounting systems consumes 6 columns and will fit flush when mounted to the chassis. It will also cover the entire front surface area of the MkV placard and helps the end user maintain full color matching capabilities with the rest of their kit.

CCS Pouch Spiritus Systems Safety Instructions

Introduction

Thank you for choosing the CCS Pouch by Spiritus Systems. This safety instruction guide is designed to ensure your safe use of the product. Please read through the guidelines carefully to understand how to use, install, and dispose of the pouch safely.

General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose as a companion pouch for the MkV Chassis.
- Regularly inspect the pouch for any signs of wear or damage. Do not use if damaged.
- Keep the pouch away from sharp objects that may cause punctures or tears.
- Store the pouch in a cool, dry place to prevent degradation of materials.
- Avoid exposure to extreme temperatures or harsh chemicals that may affect the integrity of the pouch.
- Always follow the manufacturer's instructions for care and maintenance.

Specific Safety Precautions for Use

- Do not overload the pouch beyond its designed capacity, as this may lead to failure of the zippers or straps.
- Ensure that all items placed inside the pouch are securely stored to prevent them from falling out during use.
- When attaching or detaching the pouch from the MkV Chassis, ensure that all fastening mechanisms are secure.
- If using the pouch while engaging in physical activities, ensure it is properly secured to prevent shifting or detachment.
- Keep the pouch out of reach of children to prevent accidents or misuse.

Instructions for Installation and Usage

Installation

1. Align the CCS Pouch with the MOLLE mounting system on the MkV Chassis.
2. Insert the pouch's mounting straps into the MOLLE webbing, ensuring they are threaded securely.
3. Pull the straps tight to secure the pouch in place, ensuring it fits flush against the chassis.
4. Verify that the pouch is securely attached by gently tugging on it before use.

Usage

1. Open the pouch using the double zippers, ensuring that both zippers are fully opened for easy access.
2. Organize your items within the two sections of the pouch, utilizing the rear interior tiedown loops for securing larger items.
3. When not in use, ensure the pouch is zipped closed to keep contents secure.
4. When carrying the pouch, ensure it is properly positioned against your body for comfort and accessibility.

Disposal Instructions

- Dispose of the CCS Pouch in accordance with local regulations regarding textile and plastic waste.
- If the pouch is damaged beyond repair, consider recycling options available in your area.
- Do not incinerate the pouch, as this may release harmful substances into the environment.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's guidelines or contact your local Spiritus Systems representative.
