

# FLAG BUNGEE - SPIRITUS SYSTEMS FLAG BUNGEE - BLACK

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

Flag Bungee The Spiritus Systems Flag Bungee is a simple yet effective tool for carrying Old Glory with you on all your operations. Currently, users are attaching their flags using retention bands or some other improvised means to secure their flags to their armor. This works, but is prone to failure and is unreliable. Something as important as your country's flag deserves a much more secure means of attachment. The Flag Bungee ensures your flag is kept neatly rolled and tight to your armor carrier. This kit includes three sewn double loops, a Cord Lock, and a length of adjustable shock cord. Installation is simple: weave the shock cord through your MOLLE and the provided webbing loops, insert your flag, and tighten it down using the provided cord lock, stowing any additional length under the flag. Note: This product may be shown with optional accessories. Made in the USA

# Safety Instruction Guide for FLAG BUNGEE SPIRITUS SYSTEMS FLAG BUNGEE BLACK

## Introduction

Thank you for choosing the Spiritus Systems Flag Bungee. This product is designed to securely carry your flag during operations. Please read this safety instruction guide carefully to ensure safe and effective use of the Flag Bungee.

## General Safety Guidelines

- Ensure that the Flag Bungee is used only for its intended purpose.
- Regularly inspect the Flag Bungee for any signs of wear or damage before each use.
- Keep the Flag Bungee out of reach of children to prevent accidents and injuries.
- Do not use the Flag Bungee in extreme weather conditions that could compromise its integrity.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the flag is securely inserted into the Flag Bungee before use.
- Avoid overtightening the shock cord as this may damage the flag or the bungee system.
- Do not use the Flag Bungee with flags that exceed the recommended size or weight.
- Be cautious of sharp edges or points when attaching or detaching the Flag Bungee.
- Always follow local regulations regarding the display and transportation of flags.

## Instructions for Installation and Usage

### 1. Installation

- Weave the shock cord through your MOLLE system and the provided webbing loops.
- Insert your flag into the sewn double loops of the Flag Bungee.
- Use the provided cord lock to tighten the shock cord, ensuring the flag is secure.
- Stow any excess length of the shock cord under the flag to prevent it from dangling.

### 2. Usage

- Ensure that the Flag Bungee is properly attached to your armor carrier before operation.
- Regularly check the tension of the shock cord to maintain a secure fit.
- If the flag becomes loose during use, stop and resecure it immediately.

## Disposal Instructions

- Dispose of the Flag Bungee in accordance with local waste disposal regulations.
- Do not dispose of the Flag Bungee in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling components of the Flag Bungee where possible.

## Contact Information for Further Support

For any inquiries related to safety or product issues, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
